INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Goodwill Industries of Southern California and Affiliates Los Angeles, California

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Goodwill Industries of Southern California and Affiliates (collectively, the "Organization"), which comprise the consolidated statements of financial position as of December 31, 2018 and 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Goodwill Industries of Southern California and Affiliates as of December 31, 2018 and 2017, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditure of federal awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The classified consolidated statements of financial position are presented for purposes of additional analysis of the consolidated financial statements and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 9, 2019 on our consideration of Goodwill Industries of Southern California and Affiliates internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Goodwill Industries of Southern California and Affiliates internal control over financial reporting and compliance.

Emphasis of Matter

As discussed in Note 2 to the financial statements, the Organization has adopted ASU 2016-14 - *Not-For-Profit Entities* (*Topic 958*): *Presentation of Financial Statements of Not-For-Profit Entities*. Our opinion is not modified with respect to this matter.

NOTE 1 – ORGANIZATION

General: Goodwill Industries of Southern California ("Goodwill" or the "Organization") was incorporated in 1919. Goodwill is a tax-exempt 501(c)(3) public charity, incorporated under the laws of the State of California as a non-profit public benefit corporation. The mission of Goodwill is to transform lives through the power of work. Goodwill serves people with disabilities or other vocational challenges, as well as businesses, by providing education, training, work experience and job placement services. Goodwill operates a network of retail stores and attended donation centers and provides contractual services such as assembly and fulfillment, secure document management, e-recycling, printing, custodial and building services, and workforce development programs in Los Angeles, San Bernardino, and Riverside counties.

Formation of Goodwill Retail Services: In March 2011, Goodwill's Board of Directors authorized the creation of Goodwill Retail Services ("GRS") as a supporting organization under Section 509(a)(3) of the Internal Revenue Code. GRS's purpose is to support, benefit and carry out the purposes of Goodwill. Its specific purpose is to provide staffing services in the retail stores operated by Goodwill. GRS was incorporated on April 4, 2011, and received its tax-exempt status determination letter as a 501(c)(3) supporting organization from the Internal Revenue Service on April 20, 2012. As the supported organization, Goodwill controls GRS, and the financial statements of the two entities are consolidated.

Program Services:

Material Handling – These services include the collection, transportation, sorting, and processing of contributed goods, most of which are made available for sale through Goodwill's network of stores, clearance centers and e-commerce operations. Material handling creates employment for persons with disabilities and other barriers to employment.

Stores – Goodwill operates 82 stores where contributed goods and a limited selection of new goods are available to the public. Persons with disabilities or other vocational challenges work alongside traditional employees to provide the consumer with a positive shopping experience. The proceeds from store sales are used to support unfunded or partially funded program services in addition to capital and administrative expenses for the Organization.

Contract Services – Persons with disabilities and other vocational challenges work in closely supervised teams to provide electronics recycling, shredding, document imaging, printing, custodial services, and assembly and fulfillment services to the local business community.

Workforce Development – There are over 50 program activities to provide education, training, placement and other vocational support for target populations including persons with disabilities, at-risk youth, the working poor, ex-offenders, veterans, and the homeless. These programs are funded through reimbursement, fee for service arrangements, and private support. Workforce development also includes the operation of a cafeteria for vocational training and several career centers that provide job listings, resume assistance, telephone and computer services for all job seekers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Basis of Accounting and Reporting</u>: The accompanying consolidated financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). All significant intercompany transactions have been eliminated.

The Organization reports its consolidated financial position and activities into two net asset categories according to the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein, are classified and reported as follows (see Note 9):

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- Net assets without donor restrictions Net assets that are not subject to donor-imposed stipulations.
 Net assets without donor restrictions may be designated by the Board either for specific purposes or for investment.
- Net assets with donor restrictions Net assets subject to donor-imposed stipulations that may, or will be, met by either actions of the Organization, and/or, the passage of time.

Revenue Recognition: Goodwill recognizes revenue from sales from stores and commodities sales at the time goods are sold. Contract sales are recognized when services have been provided. Workforce development fees are earned based on agreed rates for services provided or, in the case of government grants, reimbursed based on allowable costs expended for program services.

Contributions, including unconditional promises to give, are recognized when received. Donated goods revenue and donated goods inventory are recorded at fair value based on the estimated value of the inventory at selling price. The fair value is derived from sales value less the cost to bring the product to market.

<u>Cash and Cash Equivalents</u>: Cash and cash equivalents include short-term, highly liquid investments and certificates of deposit with an original maturity of three months or less at the time of purchase. Cash and cash equivalents representing assets held as endowment and as charitable gift annuities are included within investments. Cash equivalents are reported at cost, which approximates fair value.

<u>Concentrations of Credit Risk</u>: The Organization has cash balances that exceed the Federal Deposit Insurance Corporation ("FDIC") insurance coverage. The Organization has not experienced and does not anticipate any losses related to cash held in these accounts.

<u>Investments</u>: The Organization's investment policy is to adhere to high standards of quality in the selection of all types of investments, with reasonable diversification to be maintained at all times. Marketable securities are held by one independent custodian. The Organization has not experienced and does not anticipate any adverse impact to the investments as a result of this concentration. The fair value of investments in securities traded on national securities exchanges are valued at the closing price on the last business day of the fiscal year; securities traded on the over-the-counter market are valued at the last reported bid price.

Securities transactions are recorded on a trade-date basis. Dividend income is recorded as of the exdividend date, and interest income is recorded as earned using the accrual basis. Net realized and unrealized gains and losses on investments include realized and unrealized gains and losses on investments held or sold during the year. Investment income is recognized as a component of net assets without donor restrictions, unless its use is temporarily or permanently restricted by donors for a specified purpose or future period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable: Accounts receivable are comprised of grants and contracts receivable from the federal, state and local government and customer obligations due under normal trade terms requiring payment within 30 – 90 days from the invoice date. Management analyzes the collectability of these receivables and establishes an allowance for doubtful accounts that reflects its best estimate of the amounts that will not be collected. The allowance for doubtful accounts is determined by a monthly and annual review of account balances, including the age of the balance and historical collection experience. Uncollectible receivables are charged to the allowance. An expense is recorded at the time the allowance is adjusted. Management has determined substantially all government receivables are fully collectible, but has provided an allowance for approximately \$275,000 and \$229,000 for customer obligations at December 31, 2018 and 2017, respectively.

<u>Contributions Receivable</u>: The Organization records contributions receivable, net of allowances for estimated uncollectible amounts, when there is sufficient evidence in the form of verifiable documentation that an unconditional promise to give was received. No allowance was recorded for estimated uncollectible contributions receivable at December 31, 2018 or 2017. Multi-year contributions are recorded at fair value at the date of the contribution. Conditional promises to give are recognized only when the conditions on which they depend are substantially met. Contributions receivable is reported within other receivables on the consolidated statements of financial position (see Note 6).

<u>Inventory</u>: Inventory is comprised of donated goods inventory and new product inventory. Donated goods inventory is recorded at fair value as noted in the revenue accounting policy above. New product inventory is valued at the lower of cost or net realizable value, using the weighed-average cost method.

<u>Property, Plant and Equipment</u>: Property, plant and equipment used in the operations of the Organization are stated at cost or, if donated, at the fair value at the date of contribution. Property, plant and equipment with a cost of at least \$5,000 and a useful life of three years or more is capitalized. Depreciation and amortization on both purchased and donated items are recorded using the straight-line method over the shorter of the estimated useful life of the related asset or the term of the lease for leasehold improvements as follows:

Buildings and improvements5-30 yearsFixtures and equipment5-30 yearsTransportation equipment3-7 years

Normal repairs and maintenance are expensed as incurred, whereas significant charges that increase the fixed asset values or extend useful lives are capitalized and depreciated over the estimated useful lives of the related assets.

Expenditures for fixed assets that are purchased with government funds are expensed when acquired because the grantor retains title to such assets.

Gains and losses are recognized in the consolidated statements of activities upon disposal of property and equipment. During the year ended December 31, 2012, the Organization entered into sale-leaseback transactions on three properties, for which specific analysis has been performed and gains deferred (see Note 7).

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting for the Impairment of Long-Lived Assets and for the Disposal of Long-Lived Assets: The Organization reviews property and equipment for impairment whenever events or changes in circumstances indicate that the carrying value of the property and equipment may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the asset to future net cash flows, undiscounted and without interest, expected to be generated by the asset. If assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset. During the years ended December 31, 2018 and 2017, there were no events or changes in circumstances indicating that the carrying amount of the property, plant and equipment may not be recoverable.

<u>Split-Interest Agreements</u>: The Organization is a beneficiary of irrevocable split-interest agreements, including charitable remainder trusts, perpetual trusts and gift annuities.

The charitable remainder trust agreements generally require the Organization to make annual payments to the trust beneficiaries based on stipulated payment rates, applied to the fair value of the trust assets as determined annually. The Organization uses an interest rate commensurate with the risks involved to discount the future payments and calculate the present value of the liability. A receivable, net of the present value of the liability, is recorded in other receivables (Note 6) at the estimated fair value of the asset. A receivable is recorded in other receivables for the perpetual trusts at the estimated fair value of the amount held by the trustee that is due to the Organization.

The Organization invests funds contributed by individuals in exchange for a lifetime annuity paid by the Organization. These investments are reported at fair value and reported with investments (Note 5). The liability associated with these annuities is reported with accounts payable and accrued liabilities on the consolidated statements of financial position.

<u>Donor-Restricted Contributions</u>: Unconditional promises to give (contributions receivable) are recognized as contributions when received at their estimated fair value. Contributions are considered available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future period or by the donor for specific purposes are reported as donor-restricted support that increases those net asset classes.

When a donor-imposed time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying consolidated statements of activities as net assets released from restrictions. Capital campaign contributions are considered to be net assets with donor restrictions until the asset is placed into service.

<u>Government and Other Grants</u>: The Organization receives numerous grants from governmental agencies and certain foundations. The Organization recognizes income from these grants as revenue and support only to the extent that expenditures have been made for the purposes specified by the grant agreement.

<u>Advertising Expenses</u>: Advertising costs are expensed as incurred. During 2018 and 2017, advertising costs were approximately \$247,000 and \$376,000, respectively, and are reported with printing, publication and media on the consolidated statements of functional expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

<u>Functional Expenses</u>: The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that are identified with a specific program or support service are charged directly according to their natural expenditure classification. Expenses that are common to specific programs or support services are allocated to those services based on estimated level of effort or level of use. Certain shared costs are allocated. Services related to information technology are allocated based on the number of computers for each program or support service. Occupancy and related costs for the Los Angeles, San Fernando Valley, San Bernardino and Ontario campuses are allocated based on the number of square feet used by program and support service departments.

<u>Use of Estimates</u>: The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and related disclosures at the date of the financial statements and the reported amounts of revenues, expenses and changes in net assets during the reporting period. While management believes that these estimates are adequate as of December 31, 2018 and 2017, it is possible that actual results could differ from those estimates, and the difference could be material to the consolidated financial statements.

Income Tax Status: The Organization was organized pursuant to the General Nonprofit Corporation Law of the State of California. The Organization has been recognized by the Internal Revenue Service as an organization that is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has also been recognized by the California Franchise Tax Board as an organization that is exempt from California franchise and income taxes under Section 23701d of the California Revenue and Taxation Code and has qualified for the welfare exemption from certain general county real and personal property taxes. However, the Organization is subject to income taxes on any net income that is derived from a trade or business, regularly carried on, and not in furtherance of the purposes for which it was granted exemption. No income tax provision has been recorded as the net income, if any, from any unrelated trade or business, in the opinion of management, is not material to the consolidated financial statements taken as a whole.

Tax positions taken related to the Organization's tax exempt status, unrelated business activities taxable income and deductibility of expenses and other miscellaneous tax positions have been reviewed, and management is of the opinion that material positions taken by the Organization would more likely than not be sustained by examination. Accordingly, the Organization has not recorded an income tax liability for uncertain tax benefits as of December 31, 2018 and 2017, nor does it expect there will be a material change in the twelve months following the year ended December 31, 2018.

<u>Contributed Services</u>: A substantial number of volunteers have donated significant amounts of time and services to the Organization's program operations and to its fundraising campaigns. Contributed services are recognized by the Organization if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The services donated are not reflected in the accompanying consolidated financial statements as an expense or as income from donations; such services do not meet the above criteria for recording under GAAP.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adoption of New Accounting Standard: In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements for Not-for-Profit Entities*, which revises the not-for profit financial reporting model. ASU 2016-14 provides for additional disclosure requirements and modifies net asset reporting. The standard requires the Organization to reclassify its net assets (i.e., unrestricted, temporarily restricted, and permanently restricted) into two categories: net assets without donor-imposed restrictions and net assets with donor-imposed restrictions, among other requirements. The Organization adopted ASU 2016-14 for its fiscal year ending December 31, 2018 and has adjusted the presentation of these financial statements accordingly. The ASU has been applied retrospectively to all periods presented, except for the liquidity disclosure, as permitted. The implementation of this ASU did not have a material effect on amounts previously presented.

Recent Accounting Guidance: In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, Leases (Topic 842), to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the statement of financial position and disclosing key information about leasing arrangements for lessees and lessors. The new standard applies a right-of-use model that requires, for all leases with a lease term of more than 12 months, an asset representing its right to use the underlying asset for the lease term and a corresponding liability. The ASU is effective for fiscal years beginning after December 15, 2019. The Organization has not yet implemented this ASU and is in the process of assessing the effect on the financial statements.

Reclassifications: Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. Such reclassifications did not have an effect on net assets or change in net assets.

NOTE 3 – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents Accounts receivable Endowment spending-rate distributions and appropriations Investments	\$ 14,622,076 4,363,474 393,266 16,553,054
Total	\$ 35,931,870

The Organization's endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use, which on an annual basis is calculated as 7% of the average balance of the prior twelve quarters. Otherwise, donor-restricted endowment funds are not available for general expenditure.

The Organization's investments of \$16,553,054 are accessible upon board approval, and are not subject to an annual spending maximum. Although the Organization does not intend to spend from these board-designated amounts, these amounts could be made available by the board if necessary. In addition, the Organization has available a revolving line of credit totaling \$5,000,000, as further described in Note 8.

NOTE 4 - FAIR VALUE

For those assets and liabilities reported at fair value, the Organization has determined their placement in the fair value hierarchy based on the nature of inputs to determine the fair value and management's assessment of risk characteristics associated with these inputs. The Organization categorizes the financial assets and liabilities, based on the priority of inputs to the valuation technique, into three-tiered hierarchy as described below.

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities as of the reporting date. Level 1 investments include listed equities, listed fixed income securities, and certain mutual funds.

Level 2 – Observable inputs, other than Level 1 quoted prices, such as quoted prices for similar assets and liabilities, quoted prices in markets that are not active, or other inputs that are observable for the asset or liability either directly or indirectly. Investments in this category include corporate and government bonds, and certain money market funds. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

Level 3 – Unobservable inputs that are supportable by little or no market activity, which requires the Organization to develop its own assumptions. Investments that are included in this category include hedge funds and certain mutual funds. Contributions receivable from split-interest agreements are also included in this category.

The following methods and assumptions are used to estimate fair value:

Mutual funds - Mutual funds held by the Organization are publicly traded and are valued at the closing price on the last business day of the fiscal year.

Beneficial interests in trusts - Beneficial interests in trusts (Note 6) include charitable remainder trusts and perpetual trusts administered by other trustees, which are valued based on estimates associated with life expectancy, investment return, future inflation, and cash flows associated with real estate and untraded securities.

The following tables summarize the valuation of the Organization's investments and contributions receivable under split-interest agreements by fair value hierarchy levels as of December 31, 2018 and 2017. Investments include CDs in the amount of \$1,517,186 and \$1,931,050, as of December 31, 2018 and 2017, respectively, which is not included in the fair value hierarchy table below.

NOTE 4 - FAIR VALUE (Continued)

Total beneficial interests in trusts	 <u>-</u>	-	<u>-</u>		939,151	 939,151

The Organization's policy is to recognize transfers in and out of Levels 1, 2, and 3 as of the end of the year. There were no transfers between levels during 2018 or 2017. The changes in value of Level 3 assets are reported within realized and unrealized gains and losses in the consolidated statements of activities.

\$ 18,744,129 \$ 416,009 \$ 939,151 \$ 20,099,289

NOTE 4 – FAIR VALUE (Continued)

The following table summarizes the Organization's Level 3 reconciliation as of December 31, 2018 and 2017:

	<u>C</u>	<u>haritable</u>	<u>P</u>	<u>'erpetual</u>	<u>Total</u>
Balance January 1, 2017 Increase in fair value	\$	555,831 70,843	\$	293,692 18,785	\$ 849,523 89,628
Balance December 31, 2017 Increase (decrease) in fair value		626,674 57,290		312,477 (40,789)	 939,151 16,501
Balance December 31, 2018	\$	683,964	\$	271,688	\$ 955,652

For the beneficial interest in the charitable remainder trusts and perpetual trusts, upon the death of the donors or other termination of the trusts as may be defined in the individual agreements, the remaining trust assets will be distributed by the Organization to itself and to other beneficiaries, as stipulated in the trust agreements.

NOTE 5 - INVESTMENTS

Investments consist of the following as of December 31:

	<u>2018</u>	<u>2017</u>
Cash and cash equivalents Certificates of deposit Mutual funds - bond funds Mutual funds - stock funds	\$ 1,023,224 1,517,186 7,674,964 9,674,677	\$ 416,009 1,931,050 8,226,559 10,517,570
	\$ 19,890,051	\$ 21,091,188
The uses of the investments as of December 31, are as follows:		
	<u>2018</u>	<u>2017</u>
Charitable gift annuities Board designated reserve Other investments Endowment	\$ 518,390 1,207,627 15,345,427 2,818,607	\$ 716,106 507,302 16,548,698 3,319,082
	\$ 19,890,051	\$ 21,091,188

The investments include the assets of the charitable gift annuities account, whose funds are contributed by individuals in exchange for a lifetime annuity paid by Goodwill. Investments in this account are regulated under the California Insurance Code and by the Department of Insurance. The liability associated with these annuities of approximately \$10,000 and \$16,000 as of December 31, 2018 and 2017, respectively, is reported within accounts payable and accrued liabilities in the consolidated statements of financial position. The board designated reserve is invested as "quasi-endowment" in a specially segregated account. These funds are eligible for use for purposes that are authorized by the Board.

(Continued)

NOTE 5 - INVESTMENTS (Continued)

Activity in the investments during the years ended December 31, was as follows:

	<u>2018</u>	<u>2017</u>
Balance, beginning of year	\$ 21,091,188	\$ 18,657,722
Increases: Dividends and interest reinvested Purchase of investments Decreases:	474,029 1,865,209 2,339,238	439,061 3,882,810 4,321,871
Sales, redemptions and distributions	(2,467,929)	(3,917,640)
Realized gains Unrealized (losses) gains	62,390 (1,134,836)	331,543 1,697,692
Realized and unrealized (losses) gains, net	(1,072,446)	2,029,235
Balance, end of year	<u>\$ 19,890,051</u>	<u>\$ 21,091,188</u>

Information about net realized and unrealized gains (losses) during the years ended December 31, is as follows:

	<u>2018</u>	<u>2017</u>
From investments From remainder trust From perpetual trust	\$ (1,072,446) 57,290 (40,789)	\$ 2,029,235 70,843 18,785
	\$ (1,055,945)	\$ 2,118,863

NOTE 6 - OTHER RECEIVABLES

Other receivables include the following as of December 31:

		<u>2018</u>	<u>2017</u>
Pledges receivable Remainder trusts Perpetual trusts beneficial interest	\$	1,430,947 683,964 271,689	\$ 556,031 626,674 312,477
Total other receivables	<u>\$</u>	2,386,600	\$ 1,495,182

Charitable remainder trusts and beneficial interest of perpetual trusts are presented at fair value based on significant unobservable inputs and accordingly are categorized as Level 3, whose activities are disclosed in Note 5. The beneficial interest in charitable remainder and perpetual trusts is distributed by the Organization as stipulated in the trust agreements.

NOTE 6 - OTHER RECEIVABLES (Continued)

Activity of contributions receivable during the years ended December 31, was as follows:

	<u>2018</u>	<u>2017</u>
Beginning balance: New contributions promised Pledge payments received	\$ 556,031 4,531,166 (3,656,250)	\$ 499,806 785,996 (729,771)
Ending balance:	<u>\$ 1,430,947</u>	\$ 556,031

Repayment schedule of contributions receivable are as follows as of December 31, 2018 and 2017:

		<u>2018</u>	<u>2017</u>		
Less than one year Between one year and three years	\$ 1 ————————————————————————————————————	1,230,947 200,000	\$ 356,031 200,000		
Pledges receivable, net	<u>\$ 1</u>	1,430,947	\$ 556,031		

NOTE 7 - PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment consist of the following as of December 31:

	<u>2018</u>	<u>2017</u>
Land	\$ 2,034,821	\$ 2,034,821
Buildings and improvements	43,263,835	43,191,136
Fixtures and equipment	27,922,736	25,361,779
Transportation equipment	3,406,558	3,338,806
Construction in progress	254,655	12,500
, •	76,882,605	73,939,042
Less accumulated depreciation	(47,925,422)	(43,729,072)
	<u>\$ 28,957,183</u>	\$ 30,209,970

Depreciation expense for the years ended December 31, 2018 and 2017, was approximately \$4,336,000 and \$4,323,000, respectively.

<u>Construction Allowance</u>: The Organization has several lease arrangements that provide for the payment of a construction allowance. The costs of improvement are included with property, plant and equipment. Typically, the construction allowance is repaid when the building is opened for occupancy. The value of the allowance is amortized over the life of the lease.

NOTE 7 – PROPERTY, PLANT AND EQUIPMENT (Continued)

The unamortized value of the construction allowance is reported in the consolidated statements of financial position as deferred rent – construction allowance as of December 31:

	<u>2018</u>	<u>2017</u>
Construction allowance Deferred rent recognized	\$ 5,071,660 (2,373,933)	\$ 4,845,625 (1,840,209)
	<u>\$ 2,697,727</u>	\$ 3,005,416

<u>Sale-leaseback Transaction</u>: During 2012, the Organization sold its real estate investments in three of its properties for approximately \$6,996,000. After the sale, the Organization leased back the three buildings under 15 year lease agreements. In accordance with GAAP, the Organization accounted for the transaction as a sale-leaseback and deferred a portion of the gain on the sale equal to the net present value of the Organization's future minimum lease payments of approximately \$5,700,000. The deferred gain is being amortized on a straight line basis over the 15 year life of the lease. This amount is reported as a reduction of rent expense in each year.

The unamortized gain is reported in the consolidated statements of financial position as deferred gain on sale-leaseback as of December 31:

	<u>2018</u>	<u>2017</u>
Unrecognized gain Sale-leaseback deferred rent recognized	\$ 5,699,806 (2,244,832)	\$ 5,699,806 (1,863,342)
	<u>\$ 3,454,974</u>	\$ 3,836,464

The future amortization of the deferred gain based on minimum rents for years ending December 31 is as follows:

2019	\$ 3	378,839
2020	(378,839
2021	(378,839
2022	(378,839
2023	(378,839
Thereafter	1,	560,779
	\$ 3,4	454,974

NOTE 8 - NOTE PAYABLE

The Organization maintains borrowing facilities with a commercial bank. The arrangement provides for a term loan for \$10,000,000 and, access to a revolving line-of-credit for \$5,000,000. The term loan requires payment of principal and interest monthly through October 31, 2022, when the remaining principal balance plus any interest is due. The revolving line-of-credit was scheduled to expire February 28, 2019. Subsequent to year-end, the Organization entered into an amendment with the bank to extend the expiration date of the line-of-credit to September 1, 2020. Both the term loan and the revolving line-of-credit are collateralized by real property. The interest rate on the term loan was fixed at 3.66% at December 31, 2018 and 2017. The interest rate on the revolving line-of-credit is the LIBOR daily floating rate plus 1.5% (3.88% and 2.94% at December 31, 2018 and 2017, respectively). At December 31, 2018 and 2017, \$8,805,148 and \$9,126,620, respectively, was outstanding on the term loan. At December 31, 2018 and 2017, the revolving line-of-credit was unused. The terms of the credit facilities and master lease require the Organization to meet or exceed certain ratios and to communicate financial results to the bank on a regular basis. Management believes they were in compliance with such covenants as of December 31, 2018 and 2017.

Principal payments to be made through to the maturity date as of December 31, 2018, are as follows:

2019	\$	356,508
2020		371,452
2021		384,162
2022		7,693,026
	Ф	0.005.440

\$ 8,805,148

In 2016 the Organization negotiated a master lease with a commercial bank not to exceed \$500,000. The master lease provides for the Organization to enter into distinct and separate leases for the purchase of capitalized equipment. The lease requires payment of principal and interest monthly through September 30, 2023. The interest rate on the lease is 4.68%.

2019	\$	85,769

	\$ 3,336,378	\$ 1,936,503

NOTE 10 – COMMITMENTS AND CONTINGENCIES

<u>Leases</u>: The Organization leases certain stores, facilities and office and transportation equipment. The leases have various expiration dates through 2027. Minimum annual rental payments, excluding any future inflation adjustments, are as follows:

2019	\$ 26,014,95
2020	22,250,020
2021	18,899,560
2022	15,159,454
2023	11,361,34
Thereafter	21,181,38
	\$ 114.866.729

Rental expense for the years ended December 31, 2018 and 2017, was approximately \$27,976,000 and \$25,889,000, respectively.

<u>Sublease Rental Income</u>: The Organization has agreements with non-profit organizations to provide subleased space in a facility in Los Angeles. Minimum annual rental payments excluding any future inflation adjustments are as follows:

2019 2020 2021	\$ 179,956 55,361 21,670
	\$ 256,987

(Continued)

NOTE 10 - COMMITMENTS AND CONTINGENCIES (Continued)

Rental revenue from sublease rents during the year ended December 31, 2018 and 2017, was both approximately \$161,000.

<u>Litigation</u>: In the normal course of operations, the Organization is named as defendant in lawsuits and is subject to periodic examinations by regulatory agencies. After consultation with legal counsel, management is of the opinion that any liabilities arising from such litigation and examinations have been properly reported in the consolidated statements of financial position within accounts payable and accrued liabilities.

<u>Environmental Matter</u>: An adjoining property owner has alleged that contamination at one of their properties was caused by operations taking place at one of the Organization's sites. The ultimate outcome of this uncertainty cannot presently be determined, and management believes that any liability, if determined, will not have a material adverse impact in the Organization's consolidated financial condition.

Government Grants: Certain programs of the Organization receive funding and support from the local, state or federal governments. Accordingly, these programs are subject to audit that could result in adjustments. Management believes that liabilities, if any, resulting from any such audits will not have a material effect on the consolidated financial statements.

NOTE 11 – RETIREMENT PLAN

The Organization has a 403(b) Retirement Plan ("Plan") for the benefit of its employees. All employees are eligible to make contributions from their pre-tax and/or post-tax salary. At the discretion of management, and after one year of service, certain full-time employees may receive an employer contribution of up to 5% of eligible compensation. The employer contribution was discontinued November 1, 2014. Participants are fully vested in their own contributions. Employees are vested in the employer contributions as follows:

Years of service	% Vested
2	25%
3	50%
4	75%
5 or more	100%

For the years ended December 31, 2018 and 2017, the Organization did not contribute to the plan.

In addition, the Organization has a Supplemental Executive Retirement Plan ("SERP") for certain executives. The Organization did not contribute to the SERP for the year ended December 31, 2018. For the year ended December 31, 2017 the Organization contributed approximately \$20,000 to the SERP.

NOTE 12 - SELF-INSURANCE

The Organization has elected not to pay state unemployment insurance ("SUI") taxes and, instead, is charged for its share of unemployment benefits actually paid by the State of California to former employees.

The Organization is self-insured under its workers' compensation insurance program. Excess policies provide insurance coverage on individual claims which exceed specified amounts. Each year, the Organization estimates its liability for any claims outstanding, including claims incurred but not reported. The ultimate liability for claims is estimated based on historical data related to the timing and nature of claims paid and current payroll data. The workers' compensation accrual has been discounted with a rate of 3%. The undiscounted amount of the liability was \$16,379,000 and \$15,836,000, respectively, as of December 31, 2018 and 2017.

Accrued insurance claims reported in the consolidated statements of financial position include estimated obligations for state unemployment insurance and workers' compensation.

The estimated claims payable and changes in the claims payable amount for fiscal years 2018 and 2017 are listed below:

2018	Workers' Compensation	<u>CA SUI</u>	Insurance <u>Claims</u>
Claims payable at beginning of year Claims incurred/changes in estimate Claim payments	\$ 14,778,030 \$ 7,264,496 (6,643,465)	1,057,965 694,538 (772,968)	\$ 15,835,995 7,959,034 (7,416,433)

• · · · · · · · · · · · · · · · · · · ·	(6,525,449)	<u>(538,045</u>)	<u>(7,063,494</u>)

NOTE 13 - ENDOWMENTS

The Organization's endowment consists of individual funds established for a variety of purposes. The net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the restricted endowment, (b) the original value of subsequent gifts to the restricted endowment, (c) the fair value of the Organization's interest in split-interest agreements at the time of termination of the trust as stipulated by the trust agreement to be restricted endowment and (d) accumulations to the restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Additionally, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The mission of the Organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The Organization's investment policies

<u>Investment Return Objectives, Risk Parameters and Strategies</u>: The Organization has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve investment income with minimum risk. Endowment assets are invested in mutual funds.

<u>Spending Policy</u>: Although UPMIFA permits a more aggressive spending policy, funds will only be transferred out of the endowment fund when approved specifically by the finance committee provided that this is consistent with the wishes of the donors. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use, which on an annual basis is calculated as 7% of the average balance of the prior twelve quarters.

NOTE 13 – ENDOWMENTS (Continued)

<u>Endowment Net Asset Composition by Type of Fund</u>: For the year ended December 31, 2018 endowment net assets have been classified as follows:

	Net Assets Without Donor <u>Restrictions</u>	Net Assets With Donor Restrictions	<u>Total</u>

GOODWILL INDUSTRIES OF SOUTHERN CALIFORNIA AND AFFILIATES NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the year ended December 31, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Basis of Presentation</u>: The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") presents the expenditures of all federal awards of Goodwill Industries of Southern California and Affiliates (the "Organization") for the year ended December 31, 2018, and is presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Organization has not elected to use the 10-percent de minims indirect cost rate as allowed under the Uniform Guidance.

For the purposes of the Schedule, federal awards include all grants, contracts, and similar agreements entered into directly and indirectly between the Organization and agencies and departments of the federal government.

Because this Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

<u>Subrecipient</u>: The Organization is the subrecipient of federal funds which are reported as expenditures and listed as federal pass-through funds. The Organization does not pass funds through to other subrecipients.

The Organization carries insurance at levels as required under the terms of the federal awards.

NOTE 2 - SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through May 9, 2019, the date this Schedule was available to be issued. The Organization is not aware of any subsequent events which would require additional recognition or disclosure in the Schedule.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors Goodwill Industries of Southern California and Affiliates Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Goodwill Industries of Southern California and Affiliates (collectively, the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2018, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 9, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE

The Board of Directors
Goodwill Industries of Southern California and Affiliates

Report on Compliance for Each Major Federal Program

We have audited Goodwill Industries of Southern California and Affiliates (collectively, the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2018. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of audit findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2018.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
