Independent Auditor's Report

To the Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Senior Citizens of Greater Dallas, Inc. (a nonprofit organization) (dba The Senior Source), (the Organization) which comprise the statements of financial position as of March 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Senior Citizens of Greater Dallas, Inc. as of March 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Emphasis of Matter

As discussed in Note 1, the Financial Accounting Standards Board issues Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, information about liquidity and availability of resources, and direction for consistency in the type of information provided about expenses and investment return. The Organization adopted ASU 2016-14. The ASU has been applied retrospectively to all periods presented with the exception of the omission of certain information as permitted by the ASU. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2019, on our consideration of Senior Citizens of Greater Dallas, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Senior Citizens of Greater Dallas, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies

Senior Citizens of Greater Dallas, Inc. (dba The Senior Source) (the Organization) is a nonprofit organization that serves as an umbrella for eleven programs for older adults. The Organization's mission is to enhance the overall quality of life and empower all older adults in greater Dallas to thrive. The Organization is supported primarily through donor contributions, grants, and the United Way.

Financial Statement Presentation

The Organization has adopted Financial Accounting Standards Board (FASB) guidance on not-for-profit financial statement presentation. Under this guidance, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets without Donor Restrictions

Net assets that are not restricted as to use or for which the donor-imposed restrictions have been fulfilled are reported as net assets without donor restrictions in the accompanying financial statements. Net assets without donor restrictions are used to meet the Organization's overall objectives of improving the quality of life of older adults in the greater Dallas area through protection, eldercare, advocacy, volunteerism, and employment services. Board designated net assets include assets designated for the building.

Net Assets with Donor Restrictions

Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. The income from the investment of these net assets is similarly restricted if specified by the donor. When the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributions

The Organization has adopted FASB guidance on accounting for contributions received and contributions made. In accordance with FASB guidance, contributions received are recorded as restricted support depending on the existence or nature of any donor restrictions. Under FASB guidance, the Organization reports donor restricted contributions as restricted support and then reclassifies to net assets without donor restrictions upon expiration of the related restrictions.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less at the date acquired to be cash equivalents.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Fair Value Measurements

The Organization's financial assets carried at fair value have been classified for disclosure purposes only based on a hierarchy defined by FASB Accounting Standards Codification 820 *Fair Value Measurement Disclosure* (FASB ASC 820), in accordance with accounting principles generally accepted in the United States of America (GAAP). FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value and establishes a measurement framework.

FASB ASC 820 emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, FASB establishes a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Levels 1 and 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

Level 1 inputs utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 inputs are inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs may include quoted prices for similar assets and liabilities in active markets, as well as inputs that are observable for the asset or liability (other than quoted prices), such as interest rates, foreign exchange rates, and yield curves that are observable at commonly quoted intervals.

Level 3 inputs are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity. In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Organization's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period the promise is received.

An allowance has not been provided as management considers all pledges receivable to be fully collectible based upon review of donors.

Donated Materials, Services, and Facilities

Contributions of property are recorded at appraised or fair market value as of the date of the gift. The value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Special Event Revenue

Special event revenue is deferred and recognized in the period in which the event occurs.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Functional Expenses

The costs of providing the Organization's various programs and other activities have been summarized between program services, management and general, and fundraising. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on time and effort.

Programs maintained by the Organization are the following:

- The AGE (Advocacy Group for Elders) Program represents resources used to involve staff members and an advisory council of older adults in assessing aging needs in the community and working with groups and individuals to advocate for services and programs that will benefit older people. In addition, AGE educates hundreds of people each year through debates, newsletters and community education forums.
- The Caregiver Support Program represents resources used to address concerns often associated with aging through supportive counseling, facilitating problem solving, decision making and planning, thus enhancing the quality of lives of older adults.
- The Guardianship and Money Management Program represents resources used to visit clients. The agency has been appointed by the courts as guardian for incapacitated older adults residing in Dallas, Denton, Collin, Kaufman, Rockwall, and Hunt counties. The Money Management component represents resources to offer assistance to low income elderly who have difficulty managing their financial situations.
- The Long-Term Care Ombudsman Program represents resources used to assist in staff ombudsmen and state certified volunteer ombudsmen working together to improve conditions for nursing home residents and to promote residents' rights.
- Legacy Corps is a community-based caregiver support program by and for veterans of all wars and veteran/military families. Legacy Corps utilizes highly trained volunteers to provide a range of caregiver support services including in-home respite care, information, and linkages to other community support systems, hospital to home transition services, and other related services
- The Senior Employment Program represents resources used to provide job search information, training workshops on job-search related matters, and job listings for older adults.
- The Retired and Senior Volunteer Program (RSVP) represents resources used for activities conducted by persons over age 55 who volunteer their time to various programs and tasks in their communities.
- The Foster Grandparent Program (FGP) represents resources used for activities whereby eligible older adults receive stipend income and are paired with troubled, disabled, or hospitalized children who need the comfort, wisdom, and example of an older adult.
- The Organization, in keeping with its mission, conducts a fee-for-service program called ElderCare Partners. Comprehensive and personalized services are provided for older adults and their caregivers. Services include: development of a written care plan outlining the older adult's needs; professional assessment to examine the level of care needed through an evaluation of living arrangements and memory screening; implementation and coordination of the customized care plan; vendor recommendations and counseling and crisis intervention.
- The Senior Companion Program (SCP) represents resources used for eligible older adults to receive stipend income for going into the homes of the elderly and frail and performing light housekeeping functions, companionship and meal preparation.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

- The Elder Financial Safety Center (the Center) represents resources to involve the Organization and collaborating partners: the Dallas Probate Courts and the Dallas County District Attorney's Office; in identifying, preventing, and prosecuting those entities, or entity that exploits the financial security and safety of older adults. Financial safety includes housing, health choices, transportation, fraud, and exploitation. The Center is made possible by the W.W. Caruth, Jr. Foundation at Communities Foundation of Texas.
- Public Education represents resources used for educating the community on age-related needs.

Property and Equipment

Furniture, fixtures, and equipment are stated at cost of acquisition or fair market value as of the date of the donation.

Depreciation is provided for under the straight-line method at rates sufficient to amortize the related costs over the estimated useful lives of the respective assets, which is thirty years for the building and five years for the remaining long lived assets. Depreciation expense for the periods ended March 31, 2019 and 2018 was \$221,977 and \$211,794, respectively.

Repairs and maintenance are charged to expense as incurred; major improvements and capital expenditures greater than \$1,000 are capitalized.

Concentration of Credit Risk

The Organization maintains its cash in deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

Federal Income Taxes

The Organization is a tax exempt entity for federal income tax purposes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal income tax is reflected in the accompanying financial statements.

Tax positions taken related to the Organization's tax exempt status, unrelated business activities taxable income and deductibility of expenses and other miscellaneous tax positions have been reviewed, and management is of the opinion that material positions taken by the Organization would more than likely than not be sustained by examination. Accordingly, the Organization has not recorded an income tax liability for uncertain tax benefits. As of March 31, 2019, the Organization's tax years 2016 through 2018 remain subject to examination.

Reclassifications

Certain accounts relating to the prior period have been restated to conform to current year's presentation. The reclassifications have no effect on prior period change in net assets or total net assets.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Subsequent Events

Subsequent events have been evaluated through September 9, 2019, the date the financial statements were available to be issued. No material subsequent events were noted requiring recognition or disclosure in the financial statements.

New Accounting Pronouncement and Adoption

On August 18, 2016, the FASB issued Accounting Standards Update ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The ASU has been applied retrospectively.

Note 2. Marketable Securities and Investments

In accordance with FASB guidance on accounting for investments held by not-for-profit organizations, investments in equity securities with readily determinable fair values are recorded at fair market value. The carrying values of financial instruments reported on the Organization's statement of financial position approximate fair value. The difference, if any, between the cost basis and the fair value of each investment represents unrealized appreciation or depreciation. Changes in unrealized appreciation and depreciation during a period are reported in the statement of activities.

Information related to the investments measured at fair value at March 31, 2019 is as follows:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds				
Domestic equity	\$ 536,890	\$ 536,890	\$ -	\$ -

Other	466,509	523,174
	<u>\$ 3,729,454</u>	<u>\$ 3,967,082</u>

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

The following is a description of the valuation methodologies used to measure and disclose fair value of investments:

Marketable equity and fixed income securities reported as level 1 are determined by reference to quoted market prices for investments listed on an exchange or over-the-counter market.

The following schedule summarizes the investment return in the statement of activities:

	2019	2018
Interest income	\$ 56	\$ 209
Net realized and unrealized gain	29,999	274,074
	\$ 30,055	\$ 274,283

Note 3. Pledges Receivable

Pledges receivable represent unconditional promises to give. At March 31, 2019 and 2018, these pledges receivable are due to be collected as follows:

	2019	2018
Within one year	\$ 46,500	\$ 41,000
	\$ 46,500	\$ 41,000

The Organization determines the fair value of assets through application of FASB guidance on fair value measurements. There were no pledges receivable requiring fair value measurements at March 31, 2019.

Note 4. Deferred Compensation Plan

In January 2016, the Organization entered into a deferred compensation plan with a member of management. The contributions that have been deferred since the plan's inception have been accrued and the only expenses, other than the Organization's annual contributions permitted by the Internal Revenue Code, related to this plan is the interest on the deferred amounts. Investment returns related to this plan include \$64 and \$1,337 in 2019 and 2018, respectively. The Organization has included in "Deferred compensation benefits" \$10,317 at March 31, 2018. The Organization has included in "Other assets" \$10,317 at March 31, 2018, which represent the fair value of the plan. On September 14, 2018, the Organization paid out the balance of the Deferred Compensation Plan and at March 31, 2019 had a balance of \$0 in "Deferred compensation benefits" and "Other assets". These assets were previously held in alternative strategy mutual funds and reported as level 1 determined by reference to quoted market prices for investments listed on an exchange or over-the-counter market.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Note 5. Retirement Plan

The Organization established a thrift plan November 1, 1992. Each participant may elect to contribute a percentage of annual compensation provided that the contribution does not exceed the lesser of the maximum permitted by the Internal Revenue Code of \$18,500 per year or the individual's maximum excludable allowance. The Organization contributes 5% of each eligible participant's salary. The Organization makes an additional contribution equal to 100% of the eligible participants' salary reduction amount up to 3%. The value of the account attributable to the participant's own contributions is always fully and immediately vested. The value of the participant's account attributable to the Organization's contributions is 25% vested after one year of service, 50% vested after two years of service, and 100% vested after three years of service. During the years ended March 31, 2019 and 2018, the Organization incurred \$217,508 and \$228,940, respectively, of expense for retirement contributions.

Note 6. Net Assets

Net assets with donor restrictions at March 31, 2019 and 2018 consist of:

	<u>2019</u>	<u>2018</u>
Building operations	\$ 1,996,049	\$ 2,306,049
Program services	143,500	337,683
	<u>\$ 2,139,549</u>	<u>\$ 2,643,732</u>

Note 7. Special Events

Special events consisted of the following for the year ended March 31, 2019:

	<u>Spirit Luncheon</u>	<u>TI Golf Tournament</u>	<u>JUB Jam</u>	<u>Sage Society</u>	<u>2019 Total</u>
Revenues	\$ 1,137,798	\$ 20,865	\$ 89,520	\$ 226,402	\$ 1,474,585
Expenses	(108,875)	(227)	(7,645)	(17,328)	(134,075)
	<u>\$ 1,028,923</u>	<u>\$ 20,638</u>	<u>\$ 81,875</u>	<u>\$ 209,074</u>	<u>\$ 1,340,510</u>

Special events consisted of the following for the year ended March 31, 2018:

	<u>Spirit Luncheon</u>	<u>TI Golf Tournament</u>	<u>JUB Jam</u>	<u>Sage Society</u>	<u>2018 Total</u>
Revenues	\$ 1,016,331	\$ 22,235	\$ 74,907	\$ 211,560	\$ 1,325,033
Expenses	(105,784)	-	(2,542)	(16,900)	(125,226)
	<u>\$ 910,547</u>	<u>\$ 22,235</u>	<u>\$ 72,365</u>	<u>\$ 194,660</u>	<u>\$ 1,199,807</u>

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Note 8. Liquidity

The Organization has \$3.9 million of financial assets available within 1 year of the balance sheet date to meet cash needs for general expenditure consisting of cash of \$214 thousand and short-term investments of \$2.5 million. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date. The pledges receivable are subject to implied time restrictions but are expected to be collected within one year. The Organization has a goal to maintain financial assets, which consist of cash and short-term investments, on hand to meet 90 days of normal operating expenses, which are, on average, approximately \$1.4 million.

**Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
in Accordance with *Government Auditing Standards***

To the Board of Directors of
Senior Citizens of Greater Dallas, Inc.

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Senior Citizens of Greater Dallas, Inc. (a nonprofit organization) (the Organization), which comprise the statement of financial position as of March 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 9, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Senior Citizens of Greater Dallas, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Senior Citizens of Greater Dallas, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Senior Citizens of Greater Dallas, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Senior Citizens of Greater Dallas, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Weaver and Tidwell, L.L.P.

WEAVER AND TIDWELL, L.L.P.

Dallas, Texas
September 9, 2019

**Independent Auditor's Report on Compliance for Each
Major Federal Program and Report on Internal Control over
Compliance in Accordance with Uniform Guidance, and on the
Schedule of Expenditures of Federal Awards**

To the Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Report on Compliance for Each Major Federal Program

We have audited Senior Citizens of Greater Dallas, Inc.'s compliance with the types of compliance requirements described in the U.S. *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of Senior Citizens of Greater Dallas, Inc.'s major federal programs for the year ended March 31, 2019. Senior Citizens of Greater Dallas, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Senior Citizens of Greater Dallas, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Senior Citizens of Greater Dallas, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Senior Citizens of Greater Dallas, Inc.'s compliance.

The Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Opinion on Each Major Federal Program

In our opinion, Senior Citizens of Greater Dallas, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2019.

Report on Internal Control over Compliance

Management of Senior Citizens of Greater Dallas, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Senior Citizens of Greater Dallas, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Senior Citizens of Greater Dallas, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

The Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of Senior Citizens of Greater Dallas, Inc. as of and for the year ended March 31, 2019, and have issued our report thereon dated September 9, 2019, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.
