INDEPENDENT AUDITORS' REPORT

To the Board of Directors REACH Beyond Domestic Violence, Inc. Waltham, Massachusetts

Report on the Financial Statements

We have audited the accompanying financial statements of REACH Beyond Domestic Violence, Inc. (a Massachusetts nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of REACH Beyond Domestic Violence, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

To the Board of Directors REACH Beyond Domestic Violence, Inc. Page Two

Report on Summarized Comparative Information

We have previously audited REACH Beyond Domestic Violence, Inc.'s fiscal year 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 9, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards for the year ended June 30, 2021, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2021, on our consideration of REACH Beyond Domestic Violence, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of REACH Beyond Domestic Violence, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering REACH Beyond Domestic Violence, Inc.'s internal control over financial reporting and compliance.

NOTE 1 ORGANIZATION

REACH Beyond Domestic Violence, Inc. ("REACH" or the "Organization") was incorporated in April 1981 under the provisions of Massachusetts General Laws Chapter 180 and qualifies as a tax-exempt nonprofit corporation under Section 501(c)(3) of the Internal Revenue Code. REACH has been classified as an organization which is not a private foundation under Section 509(a); accordingly, contributions made to this Organization qualify for the maximum charitable deduction for federal income tax purposes.

In 2007, the Board of Directors established a limited liability company ("LLC") on behalf of REACH. The LLC was created to acquire the facility purchased during 2007, and was converted to a nominee trust during 2012. For the years presented, there were no financial transactions between REACH and the nominee trust, and all activities reported in the accompanying financial statements represent the activities of REACH. The former LLC and recently created Trust exist to preserve the confidential nature and location of the shelter.

NOTE 2 PROGRAM SERVICES

REACH Beyond Domestic Violence, Inc. is a nonprofit organization committed to creating healthy communities by ending domestic violence. REACH, which stands for Refuge, Education, Advocacy, and Change, provides direct services to domestic violence survivors and their children through the following intervention, prevention, and advocacy programs. REACH works with government and private agencies on behalf of abuse survivors, educates the community as to the seriousness and extent of domestic violence, and works in partnership with others to prevent domestic and dating violence.

Intervention

Residential Program - REACH's emergency shelter is a place where survivors can feel safe, breathe the air of freedom, and start the long process of recovering from abuse and starting over. We provide a secure, confidential location where individuals and families can regroup, obtain the physical and psychological services they need, and join a community that supports and encourages them.

While the majority of our 45 - 50 annual guests are women (often with their children), we serve all survivors, regardless of gender, gender identity, or sexual orientation. Our eight-family shelter is one of the first to welcome male survivors of domestic violence, parents with teenage sons, and LGBQ/T survivors, all of whom may still have difficulty finding placement in more traditional programs. Shelter guests come to us from all over Massachusetts and occasionally beyond. Shelter services are provided free of charge to participants.

We do not place a time limit on how long guests may stay at the shelter because recovering from trauma is an ongoing process and each person's emotional, familial, and financial situation is different. Also, affordable housing or even transitional living programs can be incredibly difficult to find. Currently, the average length of stay is approximately 160 days.

Hotline - REACH provides a 24-hour, toll-free hotline, answered by staff and volunteers every day of the year. The hotline is a resource to anyone experiencing abuse in a relationship or who knows someone in an abusive relationship. Through the hotline, survivors receive support concerning both physical and emotional abuse, education, advocacy, and resource information. The hotline is often a first step for survivors of domestic violence to regain control over their lives.

NOTE 2 (Continued)

Support Groups - The agency offers ongoing support groups in English and Spanish. The groups are a structured way for survivors to know that they are not alone, and to gain greater understanding of domestic abuse and its physical and emotional impact. Our self-care group helps survivors who have stabilized their housing and employment, but who are still feeling long-term emotional impact of years of abuse.

Children's Program - REACH supports the healing process of children in the shelter and in the community through discussion and play and art therapy with our adolescent and child therapist. The individual counseling and group sessions help children to process what has occurred in their lives and understand that the violence was not their fault. REACH works with each child to explore and voice his or her fears, concerns, and feelings of guilt, shame, and anger.

Advocacy

Individual Support and Advocacy - Not everyone is in a position to leave their home and go to a shelter. Our community-based advocacy program helps survivors who remain in the community, often with their abuser, achieve greater stability, social connectedness, and access to the resources they need to keep themselves and their children safe and working toward their goals.

Our advocates - both in shelter and in our community-based program - develop safety plans, help survivors obtain benefits that will allow them to live more independently, and drive them to medical and school appointments. We help survivors search for jobs and find new homes (and often collect donations of furniture and supplies to get them set up). Advocates spend a lot of time in court because program participants often need someone to stand with them as they face a judge and their abuser at divorce, custody, or restraining order hearings. Because of our location in Waltham, which has a large and growing immigrant population, many of the people who come to REACH need help sorting out issues pertaining to their immigration status in addition to other needs around safety, mental health, and/or economic stability.

Legal Advocacy - REACH offers legal advocacy programs in all 27 cities and towns of our service area. We utilize volunteer court advocates in the Waltham and Woburn District Courts to assist victims with restraining orders, civil matters, accompaniment to court appointments, and assistance with completing legal paperwork. This advocacy program is an important aid to victims facing a legal system that can be intimidating, especially to someone who may never have participated in the court process before and has no financial resources to hire an attorney. REACH also participates in victim advocacy programs with the police departments in Arlington, Belmont, Brookline, Burlington, Concord, Dedham, Lincoln, Needham, Newton, Sudbury, Waltham, Watertown, Wayland, Wellesley, and Weston.

REACH partners with Greater Boston Legal Services to offer the "Latinas Know Your Rights" project. Initiated as a 13-week training program for Latina women in the Waltham community, the program is now a forum for community activism where survivors engage in advocacy on the legislative level as well as other leadership activities within their community.

Prevention/Education

REACH's long-term vision is a world without domestic violence. The way to get there is through changing social norms, attitudes and behaviors. Using an innovative combination of youth work and community outreach and mobilization, REACH's prevention program is at the forefront of this critical educational effort. We prefer not to deliver one-off workshops at a company, school, or faith community (though we will do so as needed). Rather, REACH enters into dialog with those around us. We not only raise awareness, we seek to strengthen connection and involve community members in identifying ways to change social norms to prevent domestic violence.

Our prevention programs help people recognize and respond to signs of abuse. We train police departments, medical professionals, social service agencies, corporations, faith organizations, and middle, high school, and college students to deepen their understanding of and increase their capacity to respond to signs of domestic and dating abuse and sexual violence.

Our prevention programming includes work in 10-15 middle and high schools and several colleges each year. Peers Against Violence Educators ("PAVE") teaches youth about dating abuse and healthy relationships, and how to become active leaders in dating and domestic violence prevention. In our PAVE Peer Leadership program, students gain the skills to create dating violence awareness events at their school, facilitate workshops on dating violence, and engage their peers in conversations about healthy and unhealthy relationships. We also develop and present curricula for individual classrooms and school-wide programs, conduct teacher training and professional development workshops on trauma in the classroom and creating safe and supportive spaces, and do support and consultation with individual teachers and students. Domestic violence thrives in the darkness of secrecy. REACH's prevention efforts shine light on what domestic violence is and how it works. We replace risk and fear with safety, awareness, and connection.

REACH's approach is relational, trauma-informed, and strengths-based. This means that we build trusting connections with survivors and become a presence in their lives, we are aware of and sensitive to the physical and psychological impact of trauma, and we see each survivor as a whole person, drawing on all of their emotional assets rather than seeing them solely as a victim of domestic violence. We believe that the survivors are the experts about their own lives so we listen carefully, believe unreservedly, and extend compassion and practical help in equal measure. Through empathy, kindness, and unstinting education, we at REACH Beyond Domestic Violence work toward our vision of healthy and safe relationships for individuals and communities.

Impact of Covid-19 Pandemic

When the Covid-19 pandemic hit in early 2020, the Organization took a number of steps to help ensure the continuity of its program services wherever possible and to support its ongoing financial wherewithal to do so. Survivors in our emergency shelter were initially moved to hotel rooms, and over the ensuing months we have moved to a hybrid model that uses a combination of hotels rooms and the shelter. REACH has also provided financial assistance and resources to its program participants, which have included food vouchers, housing assistance and other basic needs. While much of our in-person community-based programming is currently on hold, our advocacy work continues telephonically with program participants. We were able to retain all staff members to carry out this work. We sought and received additional resources from our state, local and federal funders to cover the extra expenses associated with the pandemic, including funding under the federal Paycheck Protection Program, as described further in Note 13.

NOTE 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of REACH Beyond Domestic Violence, Inc. is presented to assist the reader in understanding the Organization's financial statements. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates; however, adherence to generally accepted accounting principles, has in management's opinion, resulted in reliable and consistent financial reporting by the Organization.

Basis of Accounting:

REACH's policy is to maintain its books and prepare its financial statements on the accrual basis of accounting in accordance with generally accepted accounting principles. Consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when a liability has been incurred.

Financial Statement Presentation:

As required by the FASB Accounting Standards CodificationTM, the Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. These classifications are related to the existence or absence of donor-imposed restrictions as follows:

Net Assets Without Donor Restrictions - consists of assets, public support and program revenues which are available and used for operations and programs. Net assets without donor restrictions represents the portion of net assets of the Organization that are not restricted by donor-imposed stipulations. Contributions are considered available for use unless specifically restricted by the donor. In addition, net assets within this classification include funds which represent resources designated by the Board of Directors for specific purposes.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2021 AND 2020

(Continued)

NOTE 3 (Continued)

Net Assets With Donor Restrictions - includes funds with donor-imposed restrictions which permit the donee organization to expend the assets as specified and is satisfied either by the passage of time or by actions of the Organization. Resources of this nature originate from gifts, grants or bequests and may include investment income earned on restricted funds. These net assets may also include resources which have a donor-imposed restriction which stipulates that a portion of the assets are to be maintained in perpetuity, but permits the Organization to expend part or all of the income derived from the donated assets.

Receivables:

Grants Receivable, Government Contracts and Grants represent amounts which are primarily due from municipalities, government agencies, and subcontracted government grants. Grants, Contributions and Pledges Receivable represent all other unconditional promises to give. Accounts Receivable, Program Services consists of noninterest-bearing amounts due for services provided by the Organization.

We record unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give with expected payment dates that extend beyond one year are initially reported at their present value when considered material. In subsequent years, amortization of the discounts is included in *Gifts, Grants and Contributions* revenue in the Statement of Activities.

The Organization's receivables are considered fully collectible; accordingly, these financial statements do not contain a provision for uncollectible amounts. We determine the allowance for uncollectable amounts based on historical experience, an assessment of economic conditions and a review of subsequent collections. If amounts owed become uncollectible, an allowance for uncollectible receivables will be established when that determination is made. There were no amounts deemed uncollectible for the years ended June 30, 2021 and 2020.

Property and Equipment:

Property, equipment, furnishings and improvement purchases in excess of \$2,500 are capitalized at cost, if purchased, or if donated, at fair value at the date of receipt. Expenditures for maintenance, repairs and renewals are charged to expense as incurred, whereas, major betterments are capitalized as additions to property and equipment. Costs for repairs to maintain the building in compliance with local building codes are expensed when incurred. Depreciation of property and equipment is computed using the straight-line method, and is charged to activities over the estimated useful lives of the assets, as expressed in terms of years.

The Organization reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of the property. There were no impairment losses recognized in the years presented.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2021 AND 2020

(Continued)

NOTE 3 (Continued)

Intangible Assets:

The Organization amortizes intangible assets on a straight-line basis over their estimated useful lives. *Intangible Assets* are presented net of accumulated amortization in the Statement of Financial Position. As of June 30, 2021, *Intangible Assets* consist of \$18,750 in costs related to the Organization's website development and design. The project was completed in FY 2021 and amortization will commence in FY 2022. Management expects the amortization expense to be as follows:

Year Ended	Amount
June 30, 2022	\$ 6,250
June 30, 2023	6,250
June 30, 2024	6,250
Total	<u>\$18,750</u>

Deferred Rent:

During FY 2018, in connection with a new operating lease agreement as discussed in Note 10, the Organization received rent waivers for a three-month period. Rent expense is recorded on a straight-line basis over the term of the lease; accordingly, a deferred rent liability is reported in the accompanying Statements of Financial Position. There have been no changes to this agreement since the inception in FY 2018.

Revenue Recognition:

As required by the FASB Accounting Standards CodificationTM, contributions are required to be recorded as receivables and revenues and the Organization is required to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions.

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give-that is, those with a measurable performance or other barrier and right of return-are not recognized until the conditions on which they depend have been met. Contributions of assets other than cash are reported at their estimated fair value.

Unconditional multi-year commitments are recognized in the year during which the initial commitment was made. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risk involved, when such amounts are considered material.

Support that is restricted by the donor is reported as an increase in net assets with donor restrictions until the restrictions expire, at which time the assets are reclassified to net assets without donor restrictions. The Organization has elected to report donor-restricted contributions that were initially conditional as net assets without donor restrictions at the time the conditions are met, as permitted by the standards.

NOTE 3 (Continued)

REACH is the recipient of various federal, state and local government funded service contracts and grants. These contracts are primarily administered on a unit of service or cost-reimbursement basis. The Organization has implemented ASC Update No. 2018-08 discussed below; therefore, REACH's government contracts are considered conditional grant funding which is released to revenue when the units of services are delivered or allowable expenditures have been made, which is the point where the conditions are considered to have been met. These service contracts are subject to an annual renewal process and future funding is not guaranteed.

As more fully described in Note 7, a significant portion of REACH's revenue for providing shelter and community services is derived from unit rate contracts established by the Commonwealth of Massachusetts Department of Public Health ("DPH"). In addition, the Organization receives funding through costreimbursable contracts and grants through the Victims of Crime Act ("VOCA"), Massachusetts Office of Victim Assistance ("MOVA"), the Cities of Newton and Waltham, and the Federal Emergency Management Agency ("FEMA"). These contracts are conditional upon certain performance requirements and the incurrence of allowable qualifying expenses. Grants administered by MOVA may also require a non-federal match as a condition to funding.

REACH invoices the above agencies after units have been delivered or expenses have been incurred and does not receive payment in advance of service delivery; accordingly there is no obligation for deferred revenue or conditional grant advances arising from these agreements in the accompanying financial statements

REACH also periodically receives program revenue for providing domestic violence education trainings to local area cities, towns, schools and police departments. Revenue derived from these customers is recognized at the point in time the services are delivered.

Donated Goods and Services:

REACH relies upon volunteer involvement in direct service, fund raising and administrative capacities of the Organization. In addition, REACH relies upon donations from the general public of expendable goods, such as food, clothing and household supplies. As required by the *FASB Accounting Standards Codification* TM, the Organization maintains a policy whereby the value of the donated goods and services which require a specialized skill and which would have otherwise been purchased by REACH are recognized as revenue on the Statement of Activities and are listed as expenses on the Statement of Functional Expenses. Donations of equipment and goods which meet the criteria of the Organization's capitalization policy are capitalized and depreciated pursuant to the policies previously described.

Functional Expenses:

As required by the FASB Accounting Standards CodificationTM, the Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expense classification.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2021 AND 2020

(Continued)

NOTE 3 (Continued)

Other expenses that are common to several functions are allocated by the Organization's cost allocation plan. Supporting services are those related to operating and managing the Organization and its programs on a day-to-day basis. In the accompanying Statement of Functional Expenses, *Salaries and Wages*, *Payroll Taxes*, and *Fringe Benefits* are all allocated based on estimates of time and effort, whereas *Occupancy* and *Depreciation and Amortization Expense* are allocated based on usage and square footage estimates. Supporting services have been sub-classified as follows:

Administrative - includes all activities related to REACH's internal management and accounting for program services.

Fund Raising - includes all activities related to maintaining contributor information, writing grant proposals, direct mail solicitation, distribution of materials and other similar projects related to the procurement of funds for REACH's programs. Cost of Direct Benefit to Donors related to special fundraising events are presented separately in the Statement of Functional Expenses and are also presented net of event proceeds in the accompanying Statement of Activities.

Recent Accounting Guidance:

Recently Implemented Standards

In May 2014, the FASB issued ASC Update No. 2014-09, (Topic 606) *Revenue from Contracts with Customers*. This ASU is a comprehensive new revenue recognition model that requires an organization to recognize revenue to depict the transfer of goods or services to a customer at an amount that reflects the consideration it expects to receive in exchange for those goods or services. This updated guidance impacts not-for-profit entities that have revenue transactions other than contributions. In August 2015, the FASB deferred the effective date of ASC Update No. 2014-09 by one year when it issued ASC Update No. 2015-14, (Topic 606) *Revenue from Contracts with Customers*. This standard was adopted by the Organization effective July 1, 2019. Analysis of various provisions of this standard resulted in no significant changes in the way the Organization recognized revenue, and therefore no changes in the previously issued financial statements were required on a retrospective basis.

In June 2018, the FASB issued ASC Update No. 2018-08, (Topic 958) Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This ASU provides a more robust framework for determining whether a transaction should be accounted for as a contribution or as an exchange transaction. The ASU also provides additional guidance to help determine whether a contribution is conditional or unconditional. This standard was adopted by the Organization effective July 1, 2019. This ASU provides organizations with the option of applying the clarified guidance in the initial year of implementation on a prospective basis; therefore, the Organization has not restated its 2019 revenue balances or opening net assets for the years presented.

NOTE 5 DEBT

Rockland Trust Company:

On October 2, 2007, in connection with the purchase of a new shelter facility, the Organization secured a mortgage in the amount of \$556,000 from Rockland Trust Company (the "Bank"). On February 28, 2011, REACH signed a loan modification agreement with Rockland Trust Company. This agreement, while keeping the term at 30 years, changed the interest rate to an adjustable interest rate with an initial rate of 5% per annum (5% as of June 30, 2020). In May 2021, a loan modification agreement was signed which set the rate at 4% through May 26, 2026, at which time the rate will increase and shall accrue at an annual fixed rate of 7%. As of June 30, 2021 and 2020, the outstanding balance was \$407,275 and \$422,591, respectively. The note is secured by the property, a first priority security interest in all fixed assets associated with the real estate, and an assignment of capital campaign pledges.

NOTE 5 (Continued)

As of June 30, 2021, the current principal portion of the mortgage note was \$16,967 and the principal maturities for the following five-year period are as follows:

Year Ending	<u>Amount</u>
June 30, 2023	\$ 17,835
June 30, 2024	18,747
June 30, 2025	19,706

Thereafter	313,305
Total	<u>\$390,308</u>

Department of Housing and Community Development ("DHCD"):

Housing Innovations Fund ("HIF") - On June 30, 2009, REACH received a permanent mortgage in the amount of \$800,000 under the Housing Innovations Fund program, as funded by the Massachusetts Department of Housing and Community Development and administered by the Community Economic Development Assistance Corporation ("CEDAC"). The terms of the note stipulate a 30-year term with a maturity date of June 30, 2039. CEDAC has the option to extend the note for additional 10-year terms, provided that the project remains in compliance with the affordable housing regulations. The note is non-interest bearing and does not require periodic payments. However, within 45 days after the end of each fiscal year, REACH shall pay CEDAC the amount by which Gross Cash Receipts, for the fiscal year, exceed 105% of the Gross Cash Expenditures, as defined in the debt instrument. The property is not used for revenue generating activities and program participants do not pay rent; therefore, there is no excess cash flow and none is expected in the future. As of June 30, 2021 and 2020, the outstanding balance amounted to \$800,000.

Housing Stabilization Fund ("HSF") - On June 30, 2009, REACH received a permanent mortgage in the amount of \$400,000 under the Housing Stabilization Fund, as funded by the DHCD and administered by CEDAC. The terms of the note stipulate a 50-year term with a maturity date of June 30, 2059. CEDAC has the option to extend the note for additional 10-year terms, provided that the project remains in compliance with the affordable housing regulations. The loan is non-interest bearing and is due at the maturity date in one lump sum.

The above funding requires that the facility will consist of eight units of affordable family housing for victims of domestic violence. The eight affordable family units will be subject to HIF affordable housing regulations. Of these eight units, six units will be reserved for residents with incomes equal to or less than 30% of area median income and two units will be reserved for residents with incomes equal to or less than 50% of area median income. The notes payable to DHCD are secured by a shared second priority security interest in the underlying real estate.

Each of the real estate financing obligations imposes a restriction on the use of the facilities. The primary purpose of these restrictions are to assure the lenders and funders that the premises will be retained as affordable housing for the long-term occupancy and use by low and very low-income families. Noncompliance with the affordable housing provisions of the various debt instruments may result in default.

NOTE 5 (Continued)

City of Waltham:

The City of Waltham, through its Department of Planning and Development, loaned \$15,000 for de-leading the facility. The note, dated July 21, 2009, is secured by a third priority interest in the underlying real estate. This is an interest-free loan with no required payments. The note would become payable in full upon the sale or refinancing of the property. The note imposes a deed restriction pursuant to affordable housing regulations.

The mortgages held by DHCD and the City of Waltham have been reported as *Deferred Forgivable Debt* in the accompanying Statements of Financial Position. These obligations have deferred payment of interest and principal unless and until certain trigger events occur. The underlying properties are subject to heavy regulation, deed restrictions and the debts are not transferrable on an open market. Management has concluded that the carrying value reflects the fair value of the debt instruments and, therefore, the Organization has not discounted the notes to reflect imputed interest.

NOTE 6 DESIGNATIONS AND RESTRICTIONS OF NET ASSETS

Net Assets Without Donor Restrictions:

As of June 30, 2021 and 2020, net assets without donor restrictions were designated by the Board of Directors for the following purposes:

NOTE 7 GOVERNMENT FUNDED SERVICE CONTRACTS

Commonwealth of Massachusetts - Department of Public Health ("DPH"):

During each of the years presented, REACH has contracted with DPH in several purchase-of-service arrangements under domestic violence programs for Community Based Services, Emergency Shelter and Housing Stabilization programs. During FY 2021, due to the COVID-19 pandemic, REACH also received program enhancement increases on their DPH contracts and funding through the Housing Flexible Cash Assistance under the Family Violence Prevention and Services Act ("FVPSA") Coronavirus Aid Relief and Economic Security ("CARES") Act funding as an add-on to their DPH contracts. During the years ended June 30, 2021 and 2020, revenues from all DPH contracts amounted to \$1,070,588 and \$946,424, respectively, which represents approximately 30% and 36% of total support and revenues for each respective year. As of June 30, 2021 and 2020, the Organization was owed \$120,853 and \$89,296, respectively, on its DPH contracts, which is included in *Grants Receivable, Government Contracts and Grants* in the Statements of Financial Position. These amounts represent approximately 31% and 29% of total receivables for the years ended June 30, 2021 and 2020, respectively.

REACH's award under the FVPSA program was for a two-year period. A total of \$11,766 was awarded for FY 2022, conditional upon the occurrence of qualifying expenditures during the year.

Massachusetts Office for Victim Assistance ("MOVA"):

During each of the years presented, REACH was the recipient of grants from the Massachusetts Office for Victim Assistance Victim & Witness Assistance Board. Grants received during the years presented were sub-awards of federal funding through the Federal Victims of Crime Act ("VOCA"). The total awards under these grant agreements were \$606,952 and \$301,638 for FY 2021 and FY 2020, respectively. The grants are administered on a cost-reimbursement basis and renew annually. VOCA funding was received in each of the years presented to fund REACH's Bilingual Advocacy Program and covers personnel costs and other direct program costs under the essential services for domestic violence program. During the year ended June 30, 2021, REACH also received emergency funding from VOCA related to the COVID-19 pandemic, a technology award and a racial equity training award. Amounts owed to the Organization as of June 30, 2021 and 2020 amounted to \$171,208 and \$48,436, which is included in *Grants Receivable*, *Government Contracts and Grants* in the Statements of Financial Position and which represents 44% and 16% of total receivables, respectively.

NOTE 7 (Continued)

Cities and Towns:

In addition to the above contracts, REACH receives annual funding from the City of Newton in the form of Emergency Shelter Grants and Community Development Block Grants, which are funded by the United States Department of Housing and Urban Development. During the years presented, the Organization received funding from the City of Newton Housing and Community Development under the Emergency Solutions Grant Coronavirus Cares Act (ESG-CV) totaling \$283,938 and \$44,905, for the years ended June 30, 2021 and 2020, respectively. The total amount awarded under this grant is \$356,520; therefore, as of June 30, 2021, the conditional portion of this grant totals \$27,677 which will be received in FY 2022 contingent upon the occurrence of qualifying expenditures during the year.

NOTE 8 FUND RAISING ACTIVITIES

REACH hosts an annual artist and celebrity plate auction, *Reach for the Stars*, which is a major fund raising event. For the year ended June 30, 2021, the event was held virtually. Sponsorships, general donations and special appeals from this event are reflected as *Private Gifts*, *Grants and Contributions* in the accompanying Statement of Activities in the year of sponsorship commitment (\$228,880 and \$291,758 in FY 2021 and FY 2020, respectively), while gross proceeds consist of ticket sales and auction revenue and is reported as *Proceeds from Special Event*.

NOTE 9 DONATED GOODS AND SERVICES

A summary of donated goods and services for the years presented is summarized below:

<u>Description</u>	<u>2021</u>	<u>2020</u>
Volunteer Services	\$74,684	\$81,925
Gift Cards	14,330	-
Reach for the Stars Event Donations	625	3,611
Professional Services	1,724	3,281
Total	<u>\$91,363</u>	<u>\$88,817</u>

NOTE 10 OCCUPANCY - SHELTER AND OUTREACH OFFICE

Occupancy includes the costs of owning and operating a residential facility used to provide shelter to victims of domestic violence and the costs associated with space that is leased for its outreach office in Waltham, Massachusetts.

REACH is a party to a five-year lease agreement for its outreach office which commenced on April 1, 2017 and expires on June 30, 2022. The facility is located in Waltham, MA and includes approximately 11,000 square feet which is used for the Organization's headquarters. The first payment was due on July 1, 2017, three months following the commencement date; therefore, there were no amounts due during the first three months of the lease term. Total rent payments under the lease total \$743,325 over the term of the lease which REACH recognizes evenly over the lease term. Rent expense related to this lease was \$166,571 for each of the years presented. A security deposit of \$29,150 was paid at the inception of the lease and is included in *Security Deposit* in the accompanying Statements of Financial Position.

(Continued)

NOTE 10 (Continued)

The future rental payments due under this lease is \$174,900 due in FY 2022, while the rent expense will be recognized in conjunction with the deferred rent discussed in Note 3.

The costs associated with these facilities are included in the Organization's occupancy costs and, as required by the FASB Accounting Standards CodificationTM, is allocated on a functional basis to the various programs and supporting services according to percentages derived from the usage of the space as expressed in terms of square feet (shelter) and time usage (outreach office).

The Occupancy category includes the following costs:

	<u>2021</u>	<u>2020</u>
Shelter:		
Mortgage Interest	\$ 22,108	\$ 21,894
Utilities	44,789	28,225
Repairs and Maintenance**	53,529	13,315
Total Shelter	120,426	63,434
Outreach Office:		
Rent	166,571	166,571
Utilities	23,486	24,802
Repairs and Maintenance		1,520
Total Outreach Office	190,057	192,893
Total Occupancy Expense	\$310,483	\$256,327

NOTE 11 EMPLOYEE RETIREMENT PLAN

REACH maintains a Savings Incentive Match Plan (SIMPLE-IRA). Under the plan, any employee who earned \$5,000 or more in the previous year may participate in a tax-deferred salary reduction retirement plan to which they may contribute up to \$13,500 annually during the years presented, excluding "catch-up" provisions, to their retirement account, and the Organization is required to match any contribution up to 3% of each participant's salary (subject to statutory limitations on eligible earnings). For the years ended June 30, 2021 and 2020, total employer contributions to the plan amounted to \$24,442 and \$23,134, respectively.

NOTE 12 CONCENTRATION OF CREDIT RISK

Cash:

REACH is subject to concentrations in credit risk relating primarily to cash. The Organization's cash is held in major financial institutions. Cash deposits are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per institution. As of June 30, 2021 and 2020, REACH had \$589,069 and \$456,355, respectively, in excess of FDIC limits. However, the Organization has not experienced any losses on such accounts and management considers credit risk on cash to be low.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2021 AND 2020

(Continued)

NOTE 13 CONTINGENCIES

Paycheck Protection Program:

REACH received a loan in the amount of \$267,647 from Rockland Trust Bank through the Paycheck Protection Program established by the U.S. CARES Act (the "PPP Loan") on April 22, 2020. The Organization elected to account for the expected forgivable portion of this loan as a conditional grant commitment as permitted by the AICPA; therefore, this amount is presented as a *Conditional Grant Advance*, a current liability, as of June 30, 2020 in the accompanying financial statements. REACH applied for and received full forgiveness of the loan on March 12, 2021 at which time this conditional grant was recognized and reported as revenue without donor restrictions in the FY 2021 Statement of Activities.

Surplus Revenue Retention:

The Commonwealth of Massachusetts Operational Services Division ("OSD") regulates some aspects of programs that receive state funding, including components of REACH Beyond Domestic Violence, Inc.'s programs. Under OSD guidance, (808 CMR 1.19(3), *Not-for-Profit Surplus Revenue Retention*), REACH may not retain a surplus in excess of twenty percent of state funding in any given year. Management concludes that REACH is in compliance with OSD requirements.

NOTE 14 LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following table reflects the Organization's financial assets as of June 30, 2021 and 2020, which are available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year of the Statement of Financial Position date or because the governing board has set aside the funds for a specific use or when restricted by donors for purposes more limited that general expenditures.

	<u> 2021</u>	<u> 2020</u>
Financial Assets:		
Cash	\$ 782,316	\$ 743,630
Grants Receivable, Government Contracts and Grants	347,392	237,477
Grants, Contributions and Pledges Receivable	40,040	65,444
Accounts Receivable, Program Services	1,000	1,760
Total Financial Assets Available to Meet		
General Expenditures Within One Year	\$1,170,748	\$1,046,551

As part of the Organization's liquidity management, the Board of Directors has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization's cash flows have seasonal variations during the year attributable to billing for program services, which are invoiced monthly, as well as the timing of its special fundraising event.

For purposes of analyzing resources available to meet general expenditures over a twelve-month period, the Organization considers all expenditures related to its ongoing activities of operating its program, as described in Note 2, as well as the conduct of services undertaken to support those activities to be general expenditures.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors REACH Beyond Domestic Violence, Inc. Waltham, Massachusetts

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of REACH Beyond Domestic Violence, Inc. (a Massachusetts nonprofit organization) which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 9, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered REACH Beyond Domestic Violence, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of REACH Beyond Domestic Violence, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of REACH Beyond Domestic Violence, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged by governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To The Board of Directors REACH Beyond Domestic Violence, Inc. Page Two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether REACH Beyond Domestic Violence, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR THE MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors REACH Beyond Domestic Violence, Inc. Waltham, Massachusetts

Report on Compliance for the Major Federal Program

We have audited REACH Beyond Domestic Violence, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on REACH Beyond Domestic Violence, Inc.'s major federal program for the year ended June 30, 2021. REACH Beyond Domestic Violence, Inc.'s major federal program is identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for REACH Beyond Domestic Violence, Inc.'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about REACH Beyond Domestic Violence, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of REACH Beyond Domestic Violence, Inc.'s compliance.

Opinion on the Major Federal Program

In our opinion, REACH Beyond Domestic Violence, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

To the Board of Directors REACH Beyond Domestic Violence, Inc. Page Two

Report on Internal Control Over Compliance

Management of REACH Beyond Domestic Violence, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered REACH Beyond Domestic Violence, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of REACH Beyond Domestic Violence, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in the internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

This purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

JUNE 30, 2021

(Page 1 of 2)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The Organization's policy is to maintain its books and prepare its financial statements on the accrual basis of accounting in accordance with generally accepted accounting principles. Consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when a liability has been incurred. The accompanying Schedule of Expenditures of Federal Awards was prepared on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement and, when applicable, amounts paid to subrecipients are reported as the disbursements are made.

Revenue Recognition:

Cost-Reimbursement Agreements

REACH Beyond Domestic Violence, Inc. receives revenue from cost-reimbursement contracts and grants through the Massachusetts Office for Victim Assistance ("MOVA") and local municipalities which are conditional upon certain performance requirements and the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when REACH Beyond Domestic Violence, Inc. has incurred expenditures in compliance with specific contract or grant provisions. The grants administered by MOVA also require a non-federal match as a condition to funding (which was waived for FY 2021). REACH Beyond Domestic Violence, Inc. invoices MOVA and the other governmental agencies for reimbursement after such expenses have been incurred and does not receive payment in advance of service delivery. As of June 30, 2021, there was no obligation for deferred revenue or conditional grant advances arising from these agreements in the accompanying financial statements. For the year ended June 30, 2021, the cost-reimbursement arrangements were billed in full within the fiscal year, leaving no conditional balances at year end. These agreements are subject to an annual renewal process and future funding is not guaranteed.

Unit-Rate Agreements

A significant portion of REACH Beyond Domestic Violence, Inc.'s revenue is derived from unit-rate agreements with the Massachusetts Department of Public Health ("DPH") to provide funding for domestic violence programs, wherein the residential programs include federal pass-through funding. These programs are funded under DPH agreements pursuant to statewide rates and are classified as conditional grants. Residential services are billed on a monthly basis as services are provided based upon established rates per room night. Revenue is recognized as the services are provided and invoiced upon completion of the service delivery. Funding is not received in advance of service delivery; accordingly, there are no conditional grant advance liabilities arising out of unit rate agreements. The service period coincides with REACH Beyond Domestic Violence, Inc.'s fiscal reporting period and, as the contracts were billed in full within each respective fiscal year end, there were no conditional balances at each year end presented. These agreements are subject to an annual renewal process and future funding is not guaranteed.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

JUNE 30, 2021

(*Page 2 of 2*)

Financial Statement Presentation:

In accordance with generally accepted accounting principles, the Organization reports information regarding its financial position and activities according to two classes of net asset, which are net assets without donor restrictions and net assets with donor restrictions. These classifications are related to the existence or absence of donor-imposed restrictions. All federal financial assistance has been classified as net assets without donor restrictions in accordance with the above definitions.

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of REACH Beyond Domestic Violence, Inc. under programs of the federal government for the year ending June 30, 2021. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of the activities of REACH Beyond Domestic Violence, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of REACH Beyond Domestic Violence, Inc.

Indirect Cost Rate:

For the year ended June 30, 2021, the Organization was not eligible to apply the 10% de minimis indirect cost rate provisions to its awards.

Other Federal Assistance:

As disclosed in Note 13 to the financial statements, the Organization received a Paycheck Protection Program loan ("PPP Loan) in the amount of \$267,647, which has been accounted for as a conditional grant as permitted by the AICPA; therefore, this amount is presented as Conditional Grant Advance, a current liability, as of June 30, 2020 in the accompanying financial statements. The Organization applied for and received full forgiveness of the loan on March 12, 2021, at which time the conditional grant was recognized and reported as revenue in the FY 2021 Statement of Activities. The PPP Loan is not reported in the accompanying Schedule of Expenditures of Federal Awards.
