Independent Auditor's Report

To the Board of Directors of
Center for Women & Enterprise, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Center for Women & Enterprise, Inc. (a Massachusetts nonprofit corporation) (the Organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Center for Women & Enterprise, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information shown on pages 15 and 16 for the years ended December 31, 2021 and 2020, is presented for purposes of additional analysis and is not a required part of the financial statements. Also, the accompanying Schedule of Expenditures of Federal Awards for the year ended December 31, 2021, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplemental information shown on pages 15 and 16 and Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 27, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

CENTER FOR WOMEN & ENTERPRISE, INC.

Notes to Financial Statements
December 31, 2021 and 2020

1. OPERATIONS AND NONPROFIT STATUS

Center for Women & Enterprise, Inc. (the Organization) is a nonprofit corporation established on January 1, 1995, in the Commonwealth of Massachusetts. The mission of the Organization is to provide opportunities for women entrepreneurs and women in business to increase professional success, personal growth, and financial independence. The Organization achieves this mission by providing education, training, technical assistance, women's business enterprise certifications, access to markets, and paths to funding to entrepreneurs at every stage of business development. In partnership with the U.S. Small Business Administration (SBA), the Organization operates the SBA Women Business Centers of Central MA, Eastern MA, New Hampshire, Rhode Island, and Vermont, as well as the Veterans Business Outreach Center of New England (VBOC).

The Organization's constituents are in all phases of business development and industry sectors and range from disadvantaged women, military veterans and active-duty members. The constituents are engaged in activities ranging from home-based business to fast growth companies seeking equity financing.

The Organization is exempt from Federal income taxes as an organization (not a private foundation) formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code (IRC). The Organization is also exempt from state income taxes. Contributions made to the Organization are deductible by donors within the requirements of the IRC.

2. SIGNIFICANT ACCOUNTING POLICIES

The Organization's financial statements have been prepared in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP). References to U.S. GAAP in these notes are to the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

Revenue Recognition

Program Income

Program income is recognized in accordance with FASB's Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which requires additional disclosure about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including significant judgement and changes in judgement.

The Organization generally measures earned revenue based on the amount of consideration the Organization expects to be entitled for the transfer of goods or services to a customer, then recognizes this revenue when or as the Organization satisfies its performance obligations under a contract, except in transactions where U.S. GAAP provides other applicable guidance. The Organization evaluates its revenue contracts with customers (i.e., earned revenue) based on the five-step model under ASU Topic 606: (1) Identify the contract with the customer; (2) Identify the performance obligations in the contract; (3) Determine the transaction price; (4) Allocate the transaction price to separate performance obligations; and (5) Recognize revenue when (or as) each performance obligation is satisfied.

Revenue from program services is recognized as services are performed. The majority of program service revenue is derived from certification fees. The Organization is the New England Regional Partner Organization for the Women's Business Enterprise National Council (WBENC), managing the certification process for all New England women-owned businesses and offering exclusive programs and networking events to local members and corporations. Certification fees are not refundable, and businesses must be re-certified annually.

CENTER FOR WOMEN & ENTERPRISE, INC.

Notes to Financial Statements
December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

Program Income (Continued)

Revenue from corporate dues is recognized ratably over the membership year the corporate membership contract covers, which coincides with the Organization's calendar year-end, as the performance obligation is satisfied over time. The Organization records the revenue earned monthly.

Revenue from the Organization's annual conference is recognized at the time the conference is held, as the performance obligation is satisfied on the date of the conference.

Government Contracts, Grants and Contributions

In accordance with ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, the Organization must determine whether a grant or contribution (or a promise) is conditional or unconditional for transactions deemed to be a contribution. A contribution is considered to be a conditional contribution if an agreement includes a barrier that must be overcome and either a right of return of the assets or a right of release of a promise to transfer assets exists (see Note 3). Indicators of a barrier include a measurable performance-related barrier or another measurable barrier, a stipulation that limits discretion by the recipient on the conduct of an activity, and stipulations that are related to the purpose of the agreement. Topic 958 prescribes that the Organization should not consider probability of compliance with the barrier when determining if such awards are conditional and should be reported as conditional grant advance liabilities until such conditions are met.

Grants and contributions without donor restrictions are recorded as revenue and net assets without donor restrictions when received or unconditionally committed by the donor. Revenue from donor restricted grants and contributions are recorded as donor restricted revenue and net assets when received or unconditionally committed by the donor. Net assets released from donor restrictions represent transfers made to revenue and net assets without donor restrictions as costs are incurred, time restrictions lapse, or program restrictions have been satisfied. Donor restricted grants received and satisfied in the same period are included in net assets without donor restrictions.

The Organization's Federal cost reimbursable contracts, included in government contracts in the accompanying statements of activities and changes in net assets, are recognized under Topic 958 and treated as conditional and recorded as revenue upon meeting expense criteria and recognized over the period of time expenses are incurred.

Special events revenue is from the Organization's ability to host fundraising events, in which revenues are recognized at the time of the event. Special event income consists of both contributions and sales. The contribution portion of the special event income is recognized as revenue when unconditionally committed or received. The sales portion of the special event income is derived from various components, including registration fees, sponsorships and program ads, in which the transaction price is determined annually. Fees collected in advance of the special events are initially recorded as deferred revenue and are only recognized in the statements of activities and changes in net assets after the special event has occurred and the performance obligation has been met. There was \$18,000 of deferred revenue as of December 31, 2021, which is included in conditional grant advances in the accompanying statement of financial position as of December 31, 2021. There was no deferred revenue as of December 31, 2020.

CENTER FOR WOMEN & ENTERPRISE, INC.

Notes to Financial Statements
December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Pledges, Grants and Contracts Receivable and Allowance for Uncollectible Accounts

The Organization records an allowance for uncollectible accounts based on management's analysis of specific accounts and their estimate of amounts that may become uncollectible. Account balances are charged off against the allowance when it is probable the receivable will not be recovered. There was no allowance for uncollectible accounts as of December 31, 2021. For the year ended December 31, 2020, the allowance for uncollectible accounts was \$19,001.

Property and Equipment and Depreciation

Property and equipment are recorded at cost, if purchased, or at the estimated market value at the date of gift, if donated. Renewals and betterments are capitalized, while repairs and maintenance are expensed as incurred. Property and equipment are depreciated using the straight-line method over the following estimated useful lives:

Computer software and technology	2 - 5 years
Office and information technology equipment	5 years
Furniture and fixtures	5 years
Leasehold improvements	Lesser of life of lease or 10 years

Fair Value Measurements

The Organization follows the accounting and disclosure standards pertaining to ASC Topic, *Fair Value Measurements*, for qualifying assets and liabilities. Fair value is defined as the price that the Organization would receive upon selling an asset or pay to settle a liability in an orderly transaction between market participants.

The Organization uses a framework for measuring fair value that includes a hierarchy that categorizes and prioritizes the sources used to measure and disclose fair value. This hierarchy is broken down into three levels based on inputs that market participants would use in valuing the financial instruments based on market data obtained from sources independent of the Organization. Inputs refer broadly to the assumptions that market participants would use in pricing the financial instrument, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the financial instrument developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset developed based on the best information available. The three-tier hierarchy of inputs is summarized in the three broad levels as follows:

Level 1 - Inputs that reflect unadjusted quoted prices in active markets for identical assets at the measurement date.

Level 2 - Inputs other than quoted prices that are observable for the asset either directly or indirectly, including inputs in markets that are not considered to be active.

Level 3 - Inputs that are unobservable, and which require significant judgment or estimation.

An asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. The Organization values all of its qualifying assets and liabilities using Level 1 inputs.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Assets

Net Assets Without Donor Restrictions

Net assets without donor restrictions are those net resources that bear no external restrictions and are generally available for use by the Organization.

Net Assets With Donor Restrictions

Net assets with donor restrictions represent amounts received or committed with donor restrictions which have not yet been expended for their designated purpose (purpose restricted) or amounts for use in future periods (time restricted).

Net assets with donor restrictions consist of the following at December 31:

	<u>2021</u>	<u>2020</u>
Purpose restricted	\$ 97,000	\$ 17,500
Time restricted	<u>12,500</u>	<u>142,500</u>
	<u>\$ 109,500</u>	<u>\$ 160,000</u>

Net assets released from donor restrictions are as follows:

	<u>2021</u>	<u>2020</u>
Expiration of time restrictions	\$ 142,500	\$ 177,000
Satisfaction of purpose restrictions	<u>17,500</u>	<u>70,500</u>
	<u>\$ 160,000</u>	<u>\$ 247,500</u>

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Expense Allocation

Expenses related directly to a program are recorded as program expenses, while other expenses are allocated based upon management's estimate of the percentage attributable to program services, general and administrative, and fundraising.

Certain categories of expenses are attributable to more than one program or supporting function and are allocated on a reasonable basis that is consistently applied. The expenses that are allocated are salaries, employee benefits, payroll taxes, interest, depreciation, information technology, and insurance, which are allocated based on an estimate of time and level of effort spent on the Organization's program and supporting functions. Occupancy is allocated based on the percentage of square footage used by functional area.

CENTER FOR WOMEN & ENTERPRISE, INC.

Notes to Financial Statements
December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Services

The Organization receives donated services from instructors and consultants in support of its programs. The fair value of these services, as determined by the donors, is reflected as donated services in the accompanying statements of activities and changes in net assets and included in instructor fees and program consultants in the accompanying statements of functional expenses. During the years ended December 31, 2021 and 2020, the Organization received \$324,006 and \$82,690, respectively, in donated services.

Income Taxes

The Organization accounts for uncertainty in income taxes in accordance with ASC Topic, *Income Taxes*. This standard clarifies the accounting for uncertainty in tax positions and prescribes a recognition threshold and measurement attribute for the financial statements regarding a tax position taken or expected to be taken in a tax return. The Organization has determined that there are no uncertain tax positions which qualify for either recognition or disclosure in the financial statements at December 31, 2021 and 2020. The Organization's information returns are subject to examination by the Federal and state jurisdictions.

Subsequent Events

Subsequent events have been evaluated through June 27, 2022, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements except that disclosed in Note 7.

3. CONDITIONAL GRANTS

During 2021, the Organization was awarded multiple conditional commitments from various Federal agencies for 2022, which contain funder-imposed conditions that represent a barrier that must be overcome, as well as a release from obligations. The Organization recognizes related revenue from these government contracts when funder-imposed conditions are substantially met (see Note 2). The funder-imposed conditions for these contracts include the requirement for the Organization to incur qualifying expenses. These commitments are not included in the accompanying financial statements.

Conditional promises to give at December 31, 2021, summarized by agency, are as follows:

Small Business Administration (SBA)	\$ 1,223,569
U.S. Department of Housing and Urban Development (HUD)	\$ 72,411

In 2020, the Organization applied for, and was awarded, a loan of \$343,200 from the Paycheck Protection Program (PPP) established by the Coronavirus Aid, Relief and Economic Security Act (CARES Act) through a bank. The funds were used to pay certain payroll costs, including benefits, as well as rent and utilities during a covered period, as defined in the CARES Act. The Organization received forgiveness from the lending bank and the SBA for the full amount in November 2020. The Organization recognized \$343,200 of grant revenue in 2020, which is included in government grants and contracts in the accompanying 2020 statement of activities and changes in net assets.

CENTER FOR WOMEN & ENTERPRISE, INC.Notes to Financial Statements
December 31, 2021 and 2020

4. PROPERTY AND EQUIPMENT

Property and equipment consist of the following at December 31:

	<u>2021</u>	<u>2020</u>
Computer software and technology	\$ 186,327	\$ 191,617
Office and information technology equipment	201,543	203,770
Furniture and fixtures	73,949	73,949
Leasehold improvements	<u>22,910</u>	<u>22,910</u>
	484,729	492,246
Less - accumulated depreciation	<u>460,486</u>	<u>434,562</u>
Property and equipment, net	<u>\$ 24,243</u>	<u>\$ 57,684</u>

5. LEASES

The Organization leases office facilities in Boston and Westborough, Massachusetts; Providence, Rhode Island; Nashua, New Hampshire; and Burlington, Vermont; and certain office equipment under non-cancelable operating leases expiring through May 2027. The various leases require minimum annual rent plus additional rent for real estate taxes and other operating costs, as defined in the leases. The Organization recognizes rent expense on a straight-line basis over the term of the lease in accordance with the *Accounting for Leases* standard under U.S. GAAP. Rent expense for the office facilities was \$272,339 and \$265,586 for the years ended December 31, 2021 and 2020, respectively, and is included in occupancy in the accompanying statements of functional expenses.

Remaining future minimum cash lease payments under these lease agreements are as follows:

	<u>Facilities</u>	<u>Equipment</u>
2022	\$ 259,360	\$ 11,868
2023	249,685	11,868
2024	208,190	11,868
2025	110,195	-
2026	<u>79,754</u>	<u>-</u>
	<u>\$ 907,184</u>	<u>\$ 35,604</u>

6. RETIREMENT PLAN

The Organization has a defined contribution retirement plan under IRC Section 401(K) covering all eligible employees. Employees become eligible to participate on their date of hire if over the age of 21. Eligible employees may make pre-tax contributions under salary reduction agreements subject to limits established by the IRC. The Organization did not contribute to the plan for the years ended December 31, 2021 and 2020.

CENTER FOR WOMEN & ENTERPRISE, INC.

Notes to Financial Statements
December 31, 2021 and 2020

7. LINE OF CREDIT

The Organization entered into an agreement with a bank to secure a working capital line of credit in March 2019 for \$300,000 with a maturity date of March 8, 2021. During 2021, the bank increased the maximum borrowing limit on the line of credit to \$600,000 and extended the maturity date to November 8, 2022. Advances on the line of credit bear interest at the *Wall Street Journal's* prime rate plus 1%, subject to a floor of 5.5% (5.5% at December 31, 2021 and 2020). The line of credit is secured substantially by all of the Organization's assets. The outstanding balance on the line of credit was \$500,000 and \$300,000 as of December 31, 2021 and 2020, respectively. Subsequent to year end, the bank increased the maximum borrowing limit on the line of credit to \$1,100,000 through November 8, 2022.

The Organization has certain financial and administrative covenants with which it must comply. The Organization was in compliance with the financial covenant as of December 31, 2021 and 2020. The Organization was not in compliance with certain administrative covenants as of December 31, 2021 and 2020, and received waivers for both years.

8. NOTES PAYABLE

In 2019, the Organization entered into a \$300,000 note payable agreement. The note was amortized over 120 monthly installments and required monthly principal and interest payments of \$3,422 through March 2024, at which time all outstanding principal (approximately \$177,000) and interest were due. The interest was fixed at a rate of 6.50% and the note was cross-collateralized with the line of credit.

During 2021, the Organization was the recipient of an anonymous foundation grant of \$350,000 targeted for debt reduction which is included in grants and contributions in the accompanying 2021 statement of activities and changes in net assets. The Organization utilized \$100,000 to pay down the line of credit (see Note 7). The additional \$250,000 of this grant came as a matching challenge. In August 2021, the Organization exceeded the match challenge and utilized the funds to pay back the note payable in full.

9. CONCENTRATIONS

The Organization received approximately 50% and 48% of its total revenue and support from the SBA during 2021 and 2020, respectively. Approximately 64% and 69% of the Organization's pledges, grants and contracts receivable at December 31, 2021 and 2020, respectively, are due from the SBA. Payments to the Organization are subject to audit by the SBA. In the opinion of management, the results of such audits, if any, will not have a material effect on the financial position of the Organization as of December 31, 2021 or 2020, or on the changes in net assets for the years then ended.

10. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization's financial assets available within one year from the statements of financial position date for general operating expenses are as follows at December 31:

	<u>2021</u>	<u>2020</u>
Cash	\$ 333,511	\$ 338,503
Pledges, grants and contracts receivable, net	<u>783,858</u>	<u>986,035</u>
	1,117,369	1,324,538
Less - funds purpose restricted by donors	<u>(97,000)</u>	<u>(17,500)</u>
Total financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,020,369</u>	<u>\$ 1,307,038</u>

CENTER FOR WOMEN & ENTERPRISE, INC.

Notes to Financial Statements
December 31, 2021 and 2020

10. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS (Continued)

The Organization's working capital and cash flows have seasonal variations to the payment schedule associated with government contracts. At December 31, 2021 and 2020, the Organization has approximately three and five months, respectively, of financial assets available within one year to cover operating expenses, net of depreciation and donated services.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due.

The Organization operates with Board-approved budgets and anticipates collecting sufficient revenue to cover ongoing expenditures.

11. CONTINGENCY

During 2020 and continuing into 2022, COVID-19 was recognized as a global pandemic. The impact of COVID-19 on the Organization's future operations and the demand for its program services will depend upon, among other things, the duration, spread and intensity of the pandemic; related government responses, such as required physical distancing; restrictions on business operations and travel; the pace of recovery of economic activity; and the impact to consumers, all of which are uncertain and impossible to predict. The financial impact to the Organization, if any, cannot be reasonably estimated at this time.

12. CONTINUING OPERATIONS

For the years ended December 31, 2021 and 2020, the Organization had total net assets of approximately \$339,000 and \$42,000, respectively. During 2021 and 2020, the Organization's changes in net assets without donor restrictions were \$346,873 and \$217,784, respectively.

The Organization's position as a SBA-resource partner has allowed it to receive additional funding through the CARES Act. The Organization was awarded \$2,100,000 in 2020 and has recognized \$1,178,000 and \$395,000 in 2021 and 2020, respectively. The Organization anticipates it will be able to recognize, as income, the remaining \$527,000 during 2022 to support programming at all five locations which all operate SBA-funded programs.

At the end of 2021, the Organization was the recipient of two grants, \$200,000 each for two specific programs. During 2021, the Organization recognized, as income, \$66,000 of grant income. The Organization anticipates it will be able to recognize, as income, the remaining \$334,000 during 2022 to support programming.

During 2021, the Organization received a debt reduction grant for \$350,000, allowing the Organization pay down all long-term debt (see Note 8). The Organization was able to extend the line of credit through November 2022, as well as increase the line of credit to \$1,100,000 subsequent to year end (see Note 7).

Management anticipates that the revenue generated by the CARES Act and additional grant funding, combined with a budgeted operating surplus in 2022, are expected to generate sufficient changes in net assets without donor restrictions to continue to add to the current balance and build up the overall net asset position of the Organization.

13. RECLASSIFICATIONS

Certain amounts in the 2020 financial statements have been reclassified to conform with the 2021 presentation.

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the Federal assistance activity of the Organization and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Note 2. Indirect Cost Rate

The Organization has elected not to use the 10% de minimis cost rate for its Federal programs.

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance
With *Government Auditing Standards***

Independent Auditor's Report

To the Board of Directors of
Center for Women & Enterprise, Inc.:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Center for Women & Enterprise, Inc. (the Organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 27, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance

Independent Auditor's Report

To the Board of Directors of
Center for Women & Enterprise, Inc.:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Center for Women & Enterprise, Inc.'s (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major Federal program for the year ended December 31, 2021. The Organization's major Federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major Federal program for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major Federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's Federal program.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major Federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Report on Internal Control Over Compliance (Continued)

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs
December 31, 2021

1. SUMMARY OF AUDITOR’S RESULTS

Financial Statements

Type of auditor’s report issued on whether the financial statements audited were prepared in accordance with U.S. GAAP: Unmodified

Is a “going concern” emphasis-of-matter paragraph included in the auditor’s report? Yes X No

Internal control over financial reporting:

- Material weakness(es) identified? Yes X No
- Significant deficiency(ies) identified? Yes X None reported

Noncompliance material to financial statements noted? Yes X No

Federal Awards

Internal control over the major Federal program:

- Material weakness(es) identified? Yes X No
- Significant deficiency(ies) identified? Yes X None reported

Type of auditor’s report issued on compliance for the major Federal program: Unmodified

Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)? Yes X No

Identification of the major Federal program:

Name of Federal Program or Cluster	Assistance Listing Number
Women’s Business Ownership Assistance	59.043

Dollar threshold used to distinguish between Type A and Type B programs: \$750,000.

Auditee qualified as low-risk auditee? X Yes No
