INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Boys and Girls Clubs of Lower Bergen County, Inc.

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of the Boys and Girls Clubs of Lower Bergen County, Inc. (the "Club") a nonprofit organization, which comprise the statement of financial position as of as of December 31, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements. Our responsibility is to express an opinion on the financial statements based on our audit.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Boys and Girls Clubs of Lower Bergen County, Inc. as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The financial statements of the Boys and Girls Clubs of Lower Bergen County, Inc. for the year ended December 31, 2020 were audited by other auditors whose report was dated September 25, 2021 expressed an unmodified opinion on those statements.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Boys and Girls Clubs of Lower Bergen County, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Boys and Girls Clubs of Lower Bergen County, Inc. Page 2.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Boys and Girls Clubs of Lower Bergen County, Inc.'s ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Boys and Girls Clubs of Lower Bergen County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Boys and Girls Clubs of Lower Bergen County, Inc. Page 3.

• Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Boys and Girls Clubs of Lower Bergen County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Information

Emphasis of Matter

Prior Period Adjustments and Restated Financial Statements

As discussed in Note 11 to the financial statements, to correct a material prior period error, the 2020 financial statements have been restated with a prior year adjustment to capital assets, liabilities and net assets.

In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2020 financial statements of the Boys and Girls Clubs of Lower Bergen County, Inc. other than with respect to these adjustments and, accordingly, we do not express an opinion or any other form of assurance of the 2020 financial statements as a whole.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of state awards is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 6, 2023, on our consideration of the Boys and Girls Clubs of Lower Bergen County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Boys and Girls Clubs of Lower Bergen County, Inc.'s internal control over financial reporting and compliance.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Boys and Girls Clubs of Lower Bergen County, Inc. (the "Club") is presented to assist in understanding the Club's financial statements. The financial statements and notes are representations of the Club's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America (generally accepted accounting principles) and have been consistently applied in the preparation of the financial statements.

Nature of Activities

The Club is a non-profit corporation exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Club is a youth service organization dedicated to enable all young people to reach their full potential as productive, caring, responsible citizens through 3 core areas: academic success; good character and citizenship; healthy lifestyles.

Through the programs that are offered, the Club tries to provide the members with a sense of belonging, a sense of usefulness, a sense of influence and a sense of competence.

Basis of Presentation

The Club's policy is to prepare its financial statements using the accrual basis of accounting.

The Club has adopted the provisions of Financial Accounting Standards Board's ASC 958:205, "Presentation of Financial Statements of Not-for profit Organizations," which established standards for external financial reporting of not-for-profit organizations. These provisions require that a complete set of financial statements for a not-for-profit organization should include a *statement of financial position* as of the end of the reporting period, a *statement of activities* and a *statement of cash flows* for the reporting period, and accompanying notes to the financial statements, as described below.

Statement of Financial Position

The primary purpose of the statement of financial position is to provide relevant information about the Club's assets, liabilities, and net assets, and about their relationships to each other at a moment in time. The information provided in the statement of financial position, used with related disclosures and information in other financial statements, helps donors, members, creditors and others assess (a) the Club's ability to continue to provide services and (b) the Club's liquidity, financial flexibility, ability to meet obligations, and needs for external financing.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Basis of Presentation, (continued)

Statement of Financial Position, (continued)

The Club adopted the Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities, which improved the current net asset classification requirements and the information presented in financial statements and notes about financial statements. Under these guidelines, net assets are now classified into the following two categories:

With Donor Restrictions – Net assets with donor restrictions are the part of net assets that are subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Net assets with donor restrictions are comprised of scholarship funds. The Club had \$10,500 and \$9,500 in donor restricted net assets at December 31, 2021 and 2020, respectively.

Without Donor Restrictions – Net assets without donor restrictions are the part of net assets that are not subject to restrictions (donors include other types of contributors, including makers of certain grants).

Under FASB's ASU 2016-14, a Not-for-Profit entity can also choose to further disaggregate the two net asset classes. The Club has elected to separate net assets without donor restrictions into the following two categories:

Board Designated Net Assets – Net assets without donor restrictions subject to self-imposed limits by action of the governing board. Board-designated assets may be earmarked for future programs. Investment, contingencies, purchase of construction fixed assets or other uses. The Club had \$231,582 and \$-0- in board designated net assets at December 31, 2021 and 2020, respectively. The Club had the following board designated net assets at December 31, 2021:

Building Projects

\$231,582

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Basis of Presentation, (continued)

Statement of Financial Position, (continued)

Undesignated Net Assets – Net assets without donor or self-imposed limits by actions of the governing board. The Club had \$466,393 and \$263,727 in undesignated net assets at December 31, 2021 and 2020, respectively.

Statement of Activities

The primary purpose of a statement of activities is to provide relevant information about (a) the effects of transactions and other events and circumstances that change the amount and nature of net assets, (b) the relationships of those transactions and other events and circumstances to each other, and (c) how the Club's resources are used in providing various programs and services. The information in statement of activities, used with related disclosures and information in the other financial statements, helps donors, creditors, and other to (1) evaluate the Club's service efforts and ability to continue to provide services, and (2) how an Club's managers have discharged their stewardship responsibilities and other aspects of their performance.

Statement of Cash Flows

The primary purpose of the statement of cash flows is to provide relevant information about the cash receipts and cash payments of an organization during a period.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Basis of Presentation, (continued)

Revenue Recognition

Revenues are recognized in the year that they are earned by the Club. Funds received that have not been earned as of the balance sheet dates are reflected as deferred revenue.

On July 1, 2020, the Organization adopted ASC Topic 606, *Revenue from Contracts with Customers* ("ASC 606"), and accounting pronouncement issued by the FASB, as well as subsequently issued clarifying ASUs, which clarifies guidance on revenue recognition. This guidance includes the required steps to achieve the core principle that a company should recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services. The Organization adopted this pronouncement on a modified retrospective basis for all ongoing customer contracts. The results of operations for the reported period amounts are not adjusted and continue to be reported in accordance with historical accounting guidance. The adoption of this pronouncement had no impact on net assets and results of operations but resulted in required additional disclosures. ASC 606 does not apply to all revenue recognized by the Organization.

Functional Allocation of Expenses

Expenses incurred to directly carry out program activities are allocated to the applicable programs on a specific identification basis. Certain other indirect expenses are allocated to the programs based upon estimates prepared by management.

Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Salaries, payroll taxes, and employee benefits are allocated on the basis of time and effort.

Income Taxes

The Club qualified as a tax-exempt organization under Section 501 (c) (3) of the Internal Revenue Code and is exempt from federal income taxes on related income pursuant to Section 501 (a) of the Code. The Club is also exempt under Title 15 of the State of New Jersey, Corporations and Association Not-For-Profit Act. Accordingly, no provision for federal and state income taxes has been presented in the accompanying financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Income Taxes, (continued)

The Club's accounting policies require compliance with FASB interpretation No 48 "Accounting for Uncertainty in Income Taxes". During the year, the Club regularly monitors transactions for potential exposure of an unrelated business income tax liability. As of December 31, 2021, the Club identified no transactions that would qualify as unrelated business income under FASB Interpretation No. 48.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. The Club made estimates for the useful life of depreciable assets during the fiscal year. Accordingly, actual results could differ from those estimates.

In-Kind Donations

In September 2020, the FASB issued ASU 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The standard requires nonprofits to expand their financial statement presentation and disclosure of contributed nonfinancial assets, including in-kind contributions. The standard includes disclosure of information on an entities policies on contributed nonfinancial assets about monetization and utilization during the reporting period, information on donor-imposed restrictions, and valuation techniques.

The Club receives donated goods and services from a variety of unpaid volunteers and organizations assisting the Club in providing various youth development programs. The value of the services provided are estimated at the cost the Club would have incurred if the services were not provided. Goods donated are valued at their approximate fair market value. This amount is recorded as a contribution and expense in the Statement of Activities. The following have been recognized as in-kind contributions are related expenses:

	<u>December 31, 2021</u>	<u>December 31, 2020</u>
Donated Services	\$12,000	\$15,405
Donated Goods	36,057	4,365
	<u>\$48,057</u>	<u>\$19,770</u>

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Compensated Absences

The Club's policy is to track compensated absences for management purposes only. Sick leave not used in any calender year shall accumulate year to year to be used if and when needed for such purpose. An employee can accrue a maximum of 20 days at a time. The employee shall not be reimbursed for accrued sick leave at the time of employment termination, unless stated otherwise in an employment contract.

Accounts Receivable and Allowance for Doubtful Accounts

Accounts receivable consists primarily of program fees and facility rentals related to the fiscal year that have not been collected as of the statement of financial position date. The Club had \$8,513 and \$805 in accounts receivable at December 31, 2021 and 2020, respectively.

The Club reviews all outstanding accounts with customers and members and determines collectability based on past experience. Management has determined that and allowance for doubtful accounts is not needed at this time.

Employee Retention Tax Credit Receivable (ERTC):

The ERTC is an IRS tax credit designed to refund certain payroll costs of qualifying Organizations. In 2021, the Club applied for \$360,847 of refunded payroll costs in 2021 and 2020. In 2022, the application was approved for refunding.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments including certificates of deposits. The carrying value of cash and cash equivalents approximates fair market value because of the short-term maturity of those financial instruments.

Custodial Credit Risk

Custodial Credit Risk is the risk that in the event of a bank failure, the Club's deposits may not be returned. To minimize the risk, the Club has deposited cash into bank accounts insured by the Federal Deposit Insurance Corporation (FDIC) in the amount of \$250,000. At December 31, 2021 and 2020, \$290,686 and \$-0-, respectively, of the Club's bank balance was exposed to custodial risk.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Property and Equipment

Property and equipment are stated at cost. The Club's policy is to capitalize and depreciate property and equipment expenditures if they are considered to be significant in nature and amount. Currently this threshold is set at \$1,000 per single item. Depreciation charges with respect to property and equipment have been made by the Club utilizing the straight-line method (½ year convention) over the estimated useful lives of the assets. Estimated useful lives are generally five to seven years for furniture and equipment, five to ten for transportation equipment and ten to thirty-nine for buildings and improvements.

NOTE 2 – CASH AND CASH EQUIVALENTS

Mortgage Payable

On August 18, 2004, the Club incurred debt of \$750,000 with Bank of America through Bank of America's purchase of tax exempt bonds issued by the New Jersey Economic Development Authority specifically for the Club. Mortgage proceeds were used to re-finance existing debt; fund the acquisition of new equipment and capital improvements to the Club facility located at 460 Passaic Avenue Lodi, NJ.

The mortgage interest rate was 4.69% fixed for 10 years. Monthly payments were based on a 20 year payout. The interest rate was to be re-negotiated on or about August 19, 2014. The loan was secured by all Club real and personal property, receivables and intangibles.

On July 1, 2013, the Club entered into a new loan agreement was Pascack Community Bank (now Lakeland Bank) to refinance all existing term loans and mortgage debt outstanding at that time with Bank of America with a small amount remaining to be used to finance operations. The amount of the new loan is \$735,000 and has a fifteen (15) year term with the monthly payments being calculated based on a twenty five (25) year amortization. The maturity date is 8/1/2028. The rate of interest is 4.5% for the initial five (5) years, with the initial term's principle and interest payments being \$4,113. On the 5th anniversary, the rate will reset for the next five (5) years at a fixed rate of 4.8% and the monthly payments will adjust accordingly. On the 10th anniversary, the rate will adjust to the FHLBNY 5 year index plus (+) 225 basis points with the resulting rate rounded to the nearest 1/8 of 1 percentage point (.125%). The resulting rate will be subject to a floor of 4.5%. Security shall be the land, building and all improvements of the club located at 460 Passaic Avenue, Lodi NJ. The loan was approved for \$244,800 bearing an interest rate of 4% and maturing on July 11, 2037. All proceeds were used to complete the flood damage repairs and to install protective equipment to help reduce future flood problems and damages.

On September 10, 2008, the SBA approved a modification to the loan increasing it by an additional \$352,500 increasing the total amount available to \$597,300. This modification was granted to finance additional engineering and construction costs, both estimated and partially incurred, to repair severe structural damage to the building's steel supports as well as asbestos removal in a certain part of the building both caused by cumulative flood water damage over the years. The estimated cost of these projects is \$325,000. The interest rate and maturity date remained unchanged at 4% and July 11, 2037, respectively. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees Boys and Girls Clubs of Lower Bergen County, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of American and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the Boys and Girls Clubs of Lower Bergen County, Inc. (the "Club"), a nonprofit organization, which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated April 6, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Club's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control. Accordingly, we do not express an opinion on the effectiveness of the Boys and Girls Clubs of Lower Bergen County, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Boys and Girls Clubs of Lower Bergen County, Inc. Page 2.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2021-01 that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Club's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Boys and Girls Clubs of Lower Bergen County Inc's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Club's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Club's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Club's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Club's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Boys and Girls Clubs of Lower Bergen County, Inc. 50 Brookside Avenue, 1st Floor Lodi, New Jersey 07644

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Boys and Girls Clubs of Lower Bergen County, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Boys and Girls Clubs of Lower Bergen County, Inc.'s major federal programs for the year ended December 31, 2021. Boys and Girls Clubs of Lower Bergen County, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Boys and Girls Clubs of Lower Bergen County, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

Boys and Girls Clubs of Lower Bergen County, Inc. Page 2.

We are required to be independent of Boys and Girls Clubs of Lower Bergen County, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Boys and Girls Clubs of Lower Bergen County, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Boys and Girls Clubs of Lower Bergen County, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Boys and Girls Clubs of Lower Bergen County, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, the Uniform Guidance, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Boys and Girls Clubs of Lower Bergen County, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding Boys and Girls Clubs of Lower Bergen
 County, Inc.'s compliance with the compliance requirements referred to above and
 performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Boys and Girls Clubs of Lower Bergen County, Inc.'s internal
 control over compliance relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances and to test and report on internal control over compliance

Boys and Girls Clubs of Lower Bergen County, Inc. Page 3.

in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Boys and Girls Clubs of Lower Bergen County, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
