REPORT OF INDEPENDENT AUDITORS

The Board of Directors
Indiana Symphony Society, Inc.
Indianapolis, Indiana

We have audited the accompanying financial statements of the Indiana Symphony Society, Inc. (the Society), which comprise the statements of financial position as of August 31, 2021 and 2020, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit of the 2021 financial statements in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The 2020 financial statements were not audited under *Government Auditing Standards* and were audited in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

REPORT OF INDEPENDENT AUDITORS
(Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Society as of August 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2021, on our consideration of the Society's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Society's internal control over financial reporting and compliance.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

1. NATURE OF ACTIVITIES

The Indiana Symphony Society, Inc. (the Society) is a not-for-profit corporation formed in 1937 for the purpose of operating the Indianapolis Symphony Orchestra (ISO). The ISO is one of Indiana's best known cultural resources receiving national and international recognition and setting the highest musical standards within our community.

The Indianapolis Symphony Orchestra Foundation, Inc. (the ISO Foundation) is a separate entity that was formed in September 1990 for the purpose of educating the public by providing financial and other support to the Society. The ISO Foundation manages the endowment which was raised to support the ISO, the Hilbert Circle Theatre, and the Symphony Centre buildings. The ISO Foundation is under no obligation to transfer assets to the Society.

Due to the purpose for which the ISO Foundation was formed, the Society and the ISO Foundation are considered to be financially interrelated organizations even though they operate independently of each other and have separate Boards of Directors. Because the Society and the ISO Foundation are financially interrelated, the Society has recognized its interest in the net assets of the ISO Foundation in its financial statements. Additionally, based on the nature of the relationship between the ISO Foundation and the Society, and the purposes for which the ISO Foundation exists, the ISO Foundation qualifies under Internal Revenue Service guidelines as a functionally integrated Type III supporting organization.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Society maintains cash in bank deposits accounts, which, at times may exceed federally insured limits. The Society has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Pledges Receivable

Pledges receivable consist of unconditional pledges received from a broad base of contributors that are recognized as contributions when the promise is received. Amounts pledged relate to the Annual Fund.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

Unconditional pledges receivable that are expected to be collected within one year are recorded at net realizable value. Unconditional pledges receivable that are expected to be collected in future years are recorded at the present value of their future cash flows. The discounts on those amounts are computed using United States Treasury Bill rates with maturities commensurate to the time period of expected collection of pledges. Discount rates used for the year ended August 31, 2021 ranged from 0.07% to 0.59% and for the year ended August 31, 2020 ranged from 0.12% to 0.22%. Amortization of the discount is included in Contributed Income.

Management estimates an allowance for uncollectible pledges receivable based on current economic conditions, historical trends, and current and past experience with their donor base. At August 31, 2021 and 2020, management determined that an allowance of \$157,417 and \$154,747, respectively, was necessary.

Government Grants Receivable

Government grants receivable represent amounts awarded by various government agencies. Government grants receivable are due within one year and are recorded at their net realizable value. Management estimates an allowance for uncollectible government grants receivable based on current economic conditions, historical trends, and current and past experience with the individual grantors. Management determined that no allowance was necessary as of August 31, 2021 and 2020.

Accounts Receivable

Accounts receivable (contract receivables) are stated at amounts expected to be received for tickets sold by third party vendors, run out performances, and program advertising. All amounts are due within one year. Accounts receivable had a balance as of August 31, 2021 and 2020 and September 1, 2019 of \$165,083, \$32,379, and \$252,990, respectively.

Accounts are monitored on an ongoing basis and significant effort is made to collect all amounts due to the Society. After one year, amounts uncollected are written off as bad debts. No interest is charged on past due accounts.

Management estimates an allowance for uncollectible accounts receivable based on current economic conditions, historical trends, and current and past experience with their vendor base. Management determined that no allowance was necessary as of August 31, 2021 and 2020 and September 1, 2019.

Property, Equipment and Depreciation

The Society capitalizes at cost all significant purchases of property and equipment acquired for use, including expenditures that substantially increase the useful lives of existing assets. Costs of ordinary maintenance and repairs are charged to expense as incurred. Depreciation is calculated using the straight-line method, including one-half year's depreciation in the year placed in

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

service. Property and equipment are depreciated over their estimated useful lives, which range from three to thirty-nine years.

Contributed property and equipment are recorded at their fair value at the date of the gift. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment with specific directions about the period of use, are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Society reports expirations of donor restrictions as the donated or acquired assets are placed in service. The Society reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

The major classes of property and equipment, along with their respective accumulated depreciation, are as follows as of August 31:

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

Basis of Presentation

The financial statements report net assets and changes in net assets in classes that are based upon the existence or absence of restrictions on use that are placed by the Society and Foundation's donors, as follows:

Society Net Assets Without Donor Restrictions – Society net assets without donor restrictions are not subject to donor-imposed stipulation. The only limits on the use of Society net assets without donor restrictions are the broad limits resulting from the nature of the Society, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations. The Society maintains four net assets without donor restrictions classifications, as follows:

General Operating - used to report contributions, revenues and expenses from the general operations of the Society.

Pension Plan - used to report the activity related to the pension liability adjustment computed according to the provisions of the Financial Accounting Standards Board (the FASB) Accounting Standards Codification (ASC) 715-20 and 30 related to the non-contributory pension plan administered by the Society for qualified employees.

Facilities - established to account for the grants received from the ISO Foundation for the Hilbert Circle Theatre and Symphony Centre and annual lease payments made to the ISO Foundation as discussed in Note 11.

Society Net Assets with Donor Restrictions – Society net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. The Society's unspent contributions are classified in this class if the donor limited their use.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the Statements of Activities by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Net assets restricted for acquisition of property or equipment (or the contribution of those assets directly) are reported as net assets with donor restrictions, and are reclassified to net assets without donor restrictions as the specified asset is depreciated, unless the donor provides more specific directions about the period of its use.

ISO Foundation Net Assets with Donor Restrictions – ISO Foundation net assets are all classified as net assets with donor restrictions.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Included in this net asset class are the net assets without donor restriction of the ISO Foundation due to implied time restrictions since such payments will be made from the ISO Foundation to the Society in future periods. This net asset class is also used to account for the investment return from the Hilbert gift which is restricted for use for Hilbert Circle Theatre capital requirements, cost of maintenance, and operations.

Also included in net assets with donor restrictions are donor restrictions requiring that the resources must be maintained by the ISO Foundation in perpetuity. Net assets increase when the ISO Foundation receives contributions for which donor-imposed restrictions limit the ISO Foundation's use of the asset and/or its economic benefits and which neither expire with the passage of time nor can be removed by the ISO Foundation's meeting certain requirements.

Revenue and Support Recognition

The Society recognizes revenue from the sale of tickets and performance fees at the time of the event at the stated price per ticket. Facilities income is recognized pro-rata over the term of each lease agreement or at the time of specific events. Ticket sales and performance fees collected in advance of concert performances and rental income collected in advance of the lease term or event date are deferred and recognized as revenue in the period to which they relate (contract liabilities). Deferred revenue has a balance as of August 31, 2021 and 2020, and September 1, 2019 of \$1,642,870, \$1,681,061, and \$4,018,189, respectively.

Contributions from the general public, governmental agencies, philanthropic foundations, and other organizations are recognized as support in the period when cash, securities, or other assets, or an unconditional promise to give is received. Contributions that are not restricted by the donor or restricted by time are reported as an increase in net assets without donor restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction is met in the reporting period in which the revenue is received. Expirations of donor restrictions on net assets, either by fulfillment of the stipulated purpose or the passage of time, are reported as reclassifications between the applicable classes of net assets. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

Annual fund contributions include amounts contributed to support operations or specific productions that have been included in the annual operating budget.

Concert Advertising Costs

The Society expenses direct response marketing costs in the year in which the related concert production occurs and all other concert advertising costs in the year incurred. Concert advertising expenses for the years ended August 31, 2021 and 2020 were \$597,812 and

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

\$1,024,907, respectively. Prepaid advertising expenses are \$11,229 and \$78,859 as of August 31, 2021 and 2020, respectively, and are included in prepaid expenses and other assets.

Income Taxes

The Society is exempt from Federal and state income taxes on related income under Section 501(c)(3) of the Internal Revenue Code and similar state law. The exemption is on all income except unrelated business income as noted under Section 511 of the Internal Revenue Code. Internal Revenue Code Section 513(a) defines an unrelated trade or business of an exempt organization as any trade or business which is not substantially related to the exercise or performance of its exempt purpose. The Society's net advertising income is considered unrelated business income. The Society's related advertising expenses offset related income and no tax was paid during 2021 and 2020.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Society and recognize a tax liability if the Society has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Society, and has concluded that as of August 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Society is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Society has filed its federal and state income tax returns for periods through August 31, 2020. These income tax returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions).

Subsequent Events

The Society evaluated events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events were evaluated through December 20, 2021, which is the date the financial statements were available to be issued.

Upcoming Accounting Standards Updates

On September 17, 2020, the FASB issued an Accounting Standards Update (ASU) No. 2020-07, *Not-for-profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This new standard is intended to increase transparency around contributed nonfinancial assets (also known as "gifts-in-kind") received by not-for-profit (NFP) organizations, including information on how those assets are used and how they are valued. This ASU requires that an NFP present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. In addition,

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

there are expanded disclosure requirements. The Society will be required to adopt this ASU in the year ending August 31, 2022.

In February 2016, the FASB issued ASU No. 2016-02, *Leases*. As currently proposed by the FASB, the Society will be required to adopt this ASU in its year ending August 31, 2023. This ASU is intended to improve financial reporting about leasing transactions by requiring entities that lease assets to recognize on their statement of financial position the assets and liabilities for the rights and obligations created by those leases, and to provide additional disclosures regarding the leases. Leases with terms (as defined in the ASU) of twelve months or less are not required to be reflected on an entity's statement of financial position.

The Society is presently evaluating the effects these ASUs will have on its future financial statements, including related disclosures.

3. PLEDGES RECEIVABLE

Pledges receivable consist of the following as of August 31:

	2021	2020
Annual Fund	\$ 2,490,254	\$ 1,037,607
Lilly Endowment, Inc.	<u>1,237,000</u>	<u>1,237,000</u>

One to Five Years	<u>669,500</u>	<u>171,073</u>
	<u>\$ 3,727,254</u>	<u>\$ 2,274,607</u>

4. REFUNDABLE ADVANCE UNDER PAYCHECK PROTECTION PROGRAM

On April 10, 2020, the Society received a low interest loan in the amount of \$2,929,185 under the Paycheck Protection Program (PPP) administered by the Small Business Administration (SBA). The PPP loan was unsecured with interest at 1% and funds advanced under the program were subject to forgiveness, if certain criteria were met, with the remaining balance repayable within two years of disbursement. The PPP loan was forgivable to the extent that employers incurred and spent the funds on qualified expenditures, which included payroll, employee health insurance, rent, utilities and interest costs during the covered period as defined by the PPP guidance. In addition, employers were required to maintain specified employment and wage

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

levels during covered period, and submit adequate documentation of such expenditures to qualify for loan forgiveness.

The Society elected to treat the PPP loan as a conditional contribution and recognize the contribution when the conditions for loan forgiveness had been substantially met and the loan had been legally forgiven by the SBA. The proceeds from the PPP loan received during 2020 were recorded as a refundable advance in the liability section in the Statement of Financial Position as of August 31, 2020.

On August 25, 2021, the Society was legally released by its creditor and notified by the SBA that its PPP loan had been forgiven in its entirety. The PPP loan was recognized as contributed income in the amount of \$2,929,185 in the Statement of Activities for the year ended August 31, 2021 (Note 9).

5. INTERCOMPANY LOANS

On June 29, 2018, the ISO Foundation issued a \$500,000 line of credit to the Society for working capital to support operations of the Society. Terms of the line of credit require annual principal payments of \$125,000, plus interest due, commencing December 31, 2018 with the final annual installment due on December 31, 2021. The amount available for borrowing by the Society under this line of credit is reduced by the amount of the required annual principal payment on each annual installment due date. Interest is charged at the one month LIBOR rate, as defined in the loan agreement, plus 80 basis points (0.883% and 0.975% as of August 31, 2021 and 2020, respectively). Amounts outstanding as of August 31, 2021 and 2020 were \$-0- and \$250,000, respectively.

6. BANK LINE OF CREDIT AND BANK NOTE PAYABLE

During 2021, the Society entered into loan agreement with an institutional lender in which it is a co-borrower with the ISO Foundation (Note 14). The agreement provides for a \$3,000,000 line of credit for the Society, a \$2,000,000 line of credit for the ISO Foundation (both expire on July 31, 2024) and a \$2,500,000 term loan for the Society. The term loan is payable in monthly installments through July 31, 2026.

The Society has borrowings against its line of credit of \$123,120 and a term loan balance of \$2,500,000 as of August 31, 2021, both of which are reflected as liabilities of the Society in the Statement of Financial Position. The ISO Foundation has no borrowings against its line of credit as of August 31, 2021. Interest on each facility is at the Bloomberg Short-Term Bank Yield Daily Floating Rate plus 80 basis points (0.81% as of August 31, 2021). The loan agreement is secured by a pledge of certain ISO Foundation investments (\$17,422,900 as of August 31, 2021). The loan agreement is subject to certain restrictive covenants. As of August 31, 2021, the Society believed it was in compliance with these restrictive covenants.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

As of August 31, 2020, the Society had a line of credit agreement for \$8,000,000 with an institutional lender with outstanding borrowings in the amount of \$7,043,141. Interest was charged at the one month LIBOR rate, which is adjusted as of a specific date each month, as defined in the agreement, plus 0.80%. The ISO Foundation had guaranteed the line of credit and pledged specific assets as collateral. The ISO Foundation's assets were pledged at a 75% advance ratio, therefore, the maximum amount to be pledged by the ISO Foundation on this facility was \$10,667,000 as of August 31, 2020. This facility expired on January 31, 2021.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the Statement of Financial Position date. Receivables are subject to implied time restrictions, but are expected to be collected within one year.

The Society's working capital and cash flows have seasonal variations during the year attributable to the annual cash receipts for subscriptions and single ticket on sale dates and a concentration of contributions received near the fiscal and calendar year ends. To manage liquidity, the Society maintains a line of credit of \$3,000,000 with a bank that is drawn upon as needed to manage cash flow and is then paid down when there is excess cash in the operating account (Note 6).

The ISO Foundation endowment of approximately \$120,000,000 is subject to an annual spending rate of 5%. However, additional funds could be made available to the Society if requested by the Society and approved by the ISO Foundation.

9. CORONAVIRUS (COVID-19) FUNDING

In response to the COVID-19 pandemic, the Employee Retention Credit (ERC) Program was established by the Coronavirus Aid, Relief, and Economic Security Act. The ERC is a fully refundable tax credit for employers equal to 70 percent of qualified wages (including allocable qualified health plan expenses) that eligible employers pay their employees. The ERC applies to qualified wages paid in calendar year 2021. The credit is 70% of the first \$10,000 in wages per employee in each quarter of calendar year 2021, meaning the ERC is worth up to \$7,000 per quarter and up to \$28,000 per calendar year, for each employee.

The Shuttered Venue Operators Grant (SVOG) Program was established by the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act, amended by the American Rescue Plan Act. The SVOG covers eligible entities such as live venue operators or promoters, theatrical producers, live performing arts organization operators, museum operators, motion picture theatre operators or owners, and talent representatives. Grants under the SVOG may be up to 45% of an eligible entity's gross revenue earned with a maximum amount of available for a single award of \$10,000,000. The SVOG covers qualified lost revenues and expenses as defined by the SVOG guidance.

During the year ended August 31, 2021, the Society received government grants as a result of applications for various COVID-19 funding relief. Total government grants related to COVID-19 funding are recorded in the Statement of Activities. For the year ended August 31, 2021 the COVID-19 funding is summarized below:

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

Shuttered Venue Operators Grant	\$	5,399,220

	\$	9,853,330

Subsequent to August 31, 2021, the Society was approved for second SVOG grant of \$2,699,710.

10. FUNCTIONAL EXPENSES

The costs of providing the programs and services of the Society are summarized below. Accordingly, certain costs have been allocated among the program and supporting services benefited based on actual direct expenditures and cost allocations of indirect expenses based on time by personnel. Expenses allocated include salaries and benefits, occupancy costs, professional services, depreciation and other office overhead. Although the methods used were appropriate, other methods could produce different results. Expenses by program services and supporting services for the years ended August 31, 2021 and 2020, respectively, are as follows:

	2021			
	Program Services	Supporting Services		Total Expenses
		Management and General	Fundraising

11. LEASES

Hilbert Circle Theatre

The Society has a lease agreement with the ISO Foundation for the Hilbert Circle Theatre (the Theatre), which expired in 2018. The Society and ISO Foundation are in the process of negotiating renewal terms of this lease and expect to complete the renewal in 2022. In the interim, both organizations are operating under the terms of the previous lease. The lease agreement requires annual rental payments of \$850,000. The Society is responsible for utilities, maintenance, insurance and other expenses incidental to the operations of the Theatre. During both 2021 and 2020, the ISO Foundation contributed the \$850,000 of annual rental expense back to the Society (Note 14).

The Society has a sublease with the ISO Foundation whereby the Society leases additional lobby space adjacent to Hilbert Circle Theatre, which expired in 2020. The Society and ISO Foundation are in the process of negotiating renewal terms of this lease and expect to complete the renewal in 2022. In the interim, both organizations are operating under the terms of the previous lease. Total rent expense, after credits for incidental expenses, under this lease for the years ended August 31, 2021 and 2020 was \$56,077 and \$54,127, respectively.

The Society has a lease with an unrelated party whereby the Society leases additional lobby space adjacent to the Hilbert Circle Theatre. The lease was renewed during 2021 and now expires on January 31, 2036. The new lease agreement calls for escalating rent monthly payments. Due to the straight line recognition of rent expense, with actual payments escalating throughout the lease term, the Society has recognized a deferred rent liability related to this lease in the amount of \$75,325 which is in Accrued Expenses on the Statement of Financial Position as of August 31, 2021.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

Symphony Centre

The Society has a lease agreement with the ISO Foundation for the Symphony Centre expiring August 31, 2023. At August 31, 2021 and 2020, the lease agreement requires annual rental payments aggregating \$400,000. The lease agreement provides for rent increases if additional tenant improvements are incurred by the ISO Foundation. The Society is responsible for utilities, maintenance and other operating costs. During both 2021 and 2020, the ISO Foundation contributed the \$400,000 of annual rental expense back to the Society (Note 14).

The Society also subleases office space within the Symphony Centre to various third-party organizations. These agreements have maturity dates through December 2022.

Victoria Centre

The Society has an operating lease for a portion of the Victoria Centre which expired July 31, 2021, but continuing on a month to month basis. Total rental expense under this lease for the years ended August 31, 2021 and 2020 was \$71,164 and \$72,135, respectively.

Fletcher Properties

The Society had an operating lease for warehouse space from Fletcher Properties that expired February 28, 2021 and was renewed through February 28, 2024. Total rental expense under this lease for the years ended August 31, 2021 and 2020 was \$43,328 and \$42,657, respectively.

Conner Prairie

The Society has an operating lease with Conner Prairie for facilities used for the Symphony on the Prairie series, which expired September 30, 2021. Under terms of this agreement, the Society is required to pay a base rent of \$250,000 and additional rent amounts based on a calculation of net profits, as defined in the agreement, split equally between Conner Prairie and the Society. This agreement will automatically renew for one year unless either party provides written notice within 90 days of the expiration date. As of the date the financial statements were available to be issued, neither the Symphony nor Connor Prairie had indicated intentions to terminate the lease. Total rental expense under this lease for the years ended August 31, 2021 and 2020 was \$573,403 and \$58,524, respectively.

INDIANA SYMPHONY SOCIETY, INC.

	<u>\$ 1,936,928</u>	<u>\$ 652,032</u>	<u>\$ 220,000</u>	<u>\$ 2,808,960</u>

Total rent expense for the years ended August 31, 2021 and 2020 was \$2,081,572 and \$1,557,901, respectively, including \$1,250,000 for the rental of the Hilbert Circle Theatre and Symphony Centre. Rent expense includes additional rent for the Hilbert Circle Theatre lobby expansion of \$56,077 and \$134,585 for the years ended August 31, 2021 and 2020, respectively. The additional rents are included in Facilities expense in General Operating on the Statements of Activities. Rent expense has not been reduced by sublease rentals received on the office operating leases amounting to \$196,426 and \$216,978 for the years ended August 31, 2021 and 2020, respectively. Sublease rental income is included in Facilities Income on the Statements of Activities.

12. PENSION PLANS

Defined Benefit Plan

The Society has a non-contributory defined benefit pension plan for employees covered by collective bargaining agreements (musicians with a hire date prior to October 16, 2012 and stagehands) and seven other former employees who were grandfathered into the plan and whose benefits have been frozen. The Society makes annual contributions to the defined benefit plan at least equal to the amount required to satisfy legal funding requirements.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

The measurement dates used in determining the pension benefit measurements for plan assets and benefit obligations were August 31, 2021 and 2020, respectively.

The discount rate used in determining the actuarial present value of the projected benefit obligation was 2.40% and 2.23% for 2021 and 2020, respectively, and the expected long-term rate of return on assets was 7.50% for both 2021 and 2020.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

The projected benefit obligation was computed using a \$25 monthly retirement benefit per year of service for office staff and a monthly retirement benefit per year of service for musicians as follows:

For benefit service credited as of August 31, 2007	\$ 86
For benefit service credited commencing on September 1, 2007 and before September 1, 2008	\$ 95
For benefit service credited commencing on September 1, 2008 and before September 1, 2009	\$ 105
For benefit service credited commencing on or after September 1, 2009 and before September 1, 2011	\$ 56
For benefit service credited commencing on or after September 1, 2011	\$ 86

Net periodic pension cost for the defined benefit plan for the years ended August 31, 2021 and 2020 included the following components:

	2021	2020
Net Periodic Pension Cost		
Service Cost	\$ 477,170	\$ 507,174
Other Components		
Interest Costs	649,085	949,543

	(1,026,831)	(372,115)
Net Periodic Pension Cost	\$ (549,661)	\$ 135,059

The amount included in the pension plan net asset deficit that is expected to be recognized as a component of net periodic pension cost during the year ending August 31, 2022 includes the amortization of the net loss of \$874,554.

The Society was not required to make a contribution to the plan during the years ended August 31, 2021 and 2020. There are no participant contributions to the plan. Distributions from the plan were \$2,033,565 and \$1,664,414 during the years ended August 31, 2021 and 2020, respectively.

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

The number of benefits expected to be paid, based on the same assumptions used to measure the benefit obligation (including, when applicable, benefits attributable to estimated future service) through 2031 are as follows:

Year Ending <u>August 31,</u>	
2022	\$ 1,953,121
2023	2,169,990
2024	2,262,694

	<u>\$ 39,079,786</u>	<u>\$ 38,187,368</u>

The Society's investment strategy is based on an expectation that equity securities will outperform debt securities over the long term. Accordingly, the composition of the Society's plan assets is broadly characterized as a 30% to 50% and 50% to 70% allocation between equity and debt securities, respectively. The strategy utilizes indexed U.S. equity securities and actively managed investment grade debt securities with lesser allocations to high-yield and international debt securities. Plan assets consist of mutual funds and U.S. Government Agency obligations, which are considered to be Level 1 investments in the fair value hierarchy (based on unadjusted quoted prices for identical assets in active markets).

The Society attempts to mitigate investment risk by rebalancing between equity and debt classes as the Society's contributions and benefit payments are made. Although changes in

INDIANA SYMPHONY SOCIETY, INC.

interest rates may affect the fair value of a portion of the investment portfolio and cause unrealized gains or losses, such gains or losses would not be realized unless the investments are sold. The expected long-term rate of return on plan assets is based on an independent advisor's projection of return on the target portfolio, reduced, as deemed appropriate, by management for conservatism and consistency.

Defined Contribution Plan

The Society has a 403(b) plan for eligible employees, as defined by the 403(b) plan. Under the 403(b) plan, the Society will match the staff employees' contributions up to 3% of eligible compensation. The Society will match contributions made by musicians covered under the collective bargaining agreement with at least 40 years credited benefit service up to 5% of eligible compensation. For musicians hired after October 16, 2012, the Society will contribute 8% of musicians' annual minimum salary covered under the collective bargaining agreement through the 2019–2020 season. The 8% employer voluntary non-elective contribution for musicians hired after October 16, 2012 was suspended effective June 6, 2020 and throughout the 2020-2021 fiscal year. In addition, the 5% employer match for musicians who have exceeded 40 years of service was also suspended on June 6, 2020 and throughout the 2020-2021 fiscal year. The 3% employer match for administrative staff was suspended on June 6, 2020 but was reinstated on September 12, 2020. Contributions to the 403(b) plan for the years ended August 31, 2021 and 2020 were \$48,700 and \$226,028, respectively.

13. SELF-FUNDED MEDICAL PLAN

The Society's medical, dental, and vision insurance is covered through a self-funded plan. The Society is liable for claims under the plan. The Society has stop-loss coverage to limit the exposure arising from these claims. Medical costs under the self-funded plan for the years ended August 31, 2021 and 2020, net of stop-loss reimbursements, were \$1,169,934 and \$1,842,011, respectively. These expenses were offset by employee contributions to the plan of \$57,381 and \$154,676, respectively.

The Society also offers a Health Savings Account to all employees covered under the high deductible option of the self-funded plan. Employer contributions to employee health savings accounts for the years ended August 31, 2021 and 2020 were \$116,350 and \$136,541, respectively.

14. INDIANAPOLIS SYMPHONY ORCHESTRA FOUNDATION, INC.

The Society is a co-borrower with the ISO Foundation on a loan agreement with an institutional lender which provides the Society with a \$3,000,000 line of credit agreement and a \$2,500,000 term loan, and provides the ISO Foundation with a \$2,000,000 line of credit agreement (Note 6). The lines of credit expire on July 31, 2024 and the term loan is payable through July 31, 2026. As of August 31, 2020, the Society had an \$8,000,000 line of credit agreement with an institutional

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

lender which was guaranteed by the ISO Foundation (Note 6). Outstanding borrowings against the Society's lines of credit amounted to \$123,120 and \$7,043,141 as of August 31, 2021 and 2020, respectively. The balance of the term loan was \$2,500,000 as of August 31, 2021. The ISO Foundation did not have any outstanding borrowings on the line of credit as of August 31, 2021. The ISO Foundation and the Society have guaranteed the credit facilities and the ISO has pledge specific investments as collateral (Note 6).

The Society had one intercompany loan with the ISO Foundation as of August 31, 2020 (Note 5). The note was repaid during fiscal 2021.

The Society has a service agreement with the ISO Foundation whereby the Society provides certain management services, including endowment fundraising, administrative services, office space and preparing financial records and reports. In return, the ISO Foundation paid the Society an annual fee of \$50,000 in 2021 and 2020, which is included in the Statements of Activities under ISO Foundation revenue.

The ISO Foundation contributed \$5,737,047 and \$6,900,000 to the Society during the years ended August 31, 2021 and 2020, respectively. The amounts contributed are included in the Statements of Activities as net assets released from restrictions.

The contributions were in support of the following programs or activities:

	2021	2020
General Operating Fund		
General Operating	\$ 4,487,047	\$ 5,343,405
Education Grant	-0-	218,686

	<u>\$ 5,737,047</u>	<u>\$ 6,900,000</u>

The contributed amounts above for 2021 include a 5% draw from the ISO Foundation's investment portfolio. The contributed amounts above for 2020 include a 5% draw from the ISO Foundation's investment portfolio, plus an additional grant of \$1,081,572, which was recorded in General Operating activities in the Statement of Activities.

The Society owed \$59,468 to the ISO Foundation as of August 31, 2020, which includes interest payables on intercompany loans.

The Society operates under a business plan based on financially responsible operating draws from the ISO Foundation. The current business plan supports the Society's goal to strive to

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

balance the budget, while maintaining financially responsible annual operating draws from the ISO Foundation. Considering the COVID-19 pandemic addressed in Note 18, the business plan for future periods is under review to address the financial implications resulting from the pandemic.

15. CONCENTRATIONS

As of August 31, 2021, 63% of accounts receivable were due from two organizations with individual percentages of 32% and 31%. There were no such concentrations in accounts receivable as of August 31, 2020.

As of August 31, 2021 and 2020, a pledge from the Lilly Endowment, Inc. comprised 33% and 54%, respectively, of the gross pledge receivable balance. As of August 31, 2021, pledges from two other donors comprised 30% of the gross pledge receivable balance, with individual percentages of 16% and 14%.

Contributions from the Lilly Endowment, Inc. represented approximately 17% and 21% of contributed income (excluding government grants) during the years ended August 31, 2021 and 2020, respectively.

16. RISKS AND UNCERTAINTIES

The Society's defined benefit pension plan holds investments in debt and equity securities (Note 12). In addition, a substantial portion of the assets of the ISO Foundation are invested in a diversified long-term investment portfolio. Such investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying financial statements.

The Society is subject to disputes, claims and lawsuits in the normal course of business and is insured against such risks when appropriate. Management determined that no liability for a potential loss from any currently pending disputes, claims or lawsuits was necessary at August 31, 2021 and 2020.

17. COLLECTIVE BARGAINING AGREEMENTS WITH MUSICIANS AND STAGEHANDS

The Society recognizes Indianapolis Musicians Local No. 3 of the American Federation of Musicians (Musicians' Union) and the International Alliance of Theatrical Stage Employees Local No. 30 (Stagehands' Union) as the collective bargaining agents for its musicians and stagehands, with respect to wages, hours and conditions of employment. The Society's current contract with the Musician's Union ended August 29, 2021. Subsequent to August 31, 2021, the Society and

INDIANA SYMPHONY SOCIETY, INC.

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2021 AND 2020

the Musician's Union agreed to a new collective bargaining agreement through August 31, 2024. The Society's current contract with the Stagehand's Union is effective through August 31, 2023.

18. COVID-19

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may continue to adversely impact the local, regional, national and global economies. The extent to which COVID-19 continues to impact the Society's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict. Impacts include, but are not limited to, additional costs for responding to COVID-19, shortages of personnel, shortages of supplies, delays, loss of, or reduction to, contributions and funding, investment portfolio declines and reduced or abbreviated performance schedules. Management believes the Society is taking appropriate actions to respond to the pandemic. However, the full impact of the pandemic is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.

Board of Directors
Indiana Symphony Society, Inc.
Indianapolis, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Indiana Symphony Society, Inc. (the Society), which comprise the statement of financial position as of August 31, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 20, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Society's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control. Accordingly, we do not express an opinion on the effectiveness of the Society's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Society's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Society's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Society's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Society's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FEDERAL AWARDS REQUIRED BY THE *UNIFORM GUIDANCE***

Board of Directors
Indiana Symphony Society, Inc.
Indianapolis, Indiana

Report on Compliance for Each Major Federal Program

We have audited Indiana Symphony Society, Inc.'s (the Society) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Society's major federal programs for the year ended August 31, 2021. The Society's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Society's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the *Uniform Guidance*). Those standards and the *Uniform Guidance* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Society's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Society's compliance.

Opinion on Each Major Federal Program

In our opinion, the Society complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2021.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the *Uniform Guidance* and which is described in the accompanying schedule of findings and questioned costs as item 2021-001. Our opinion on each major federal program is not modified with respect to this matter.

The Society's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Society's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on it.

Report on Internal Control Over Compliance

Management of the Society is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Society's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the *Uniform Guidance*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Society's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material

weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as item 2021-002, that we consider to be a material weakness.

The Society's response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Society's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *Uniform Guidance*. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the *Uniform Guidance*

We have audited the financial statements of the Society as of and for the year ended August 31, 2021, and have issued our report thereon dated December 20, 2021, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by the *Uniform Guidance*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (SEFA) for the year ended August 31, 2021 includes the federal grant activity of Indiana Symphony Society, Inc.. (the Society) and is presented on the accrual basis of accounting. The information in the SEFA is presented in accordance with requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the *Uniform Guidance*). The financial statement classifications may include other financial activity for reporting purposes. Therefore, some of the amounts presented in the SEFA may differ from amounts presented in, or used in the preparation of, the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported in the SEFA are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the *Uniform Guidance*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Society has elected not to use the 10% de minimis indirect cost rate as allowed under the *Uniform Guidance*.

3. AMOUNTS PASSED THROUGH TO SUBRECIPIENTS

The Society did not pass through any federal awards to subrecipients during 2021.

See Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance on page 35.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS AUGUST 31, 2021

Section II - Financial Statement Findings Under *Government Auditing Standards*

None Reported

Section III - Federal Award Findings and Questioned Costs

2021-001 - Submission of the single audit reporting package

Criteria:

The single audit reporting package is due to the Federal Audit Clearinghouse within nine months after year end.

Condition:

The single audit reporting package was not submitted within this timeframe.

Questioned costs: - \$0 -

Context:

Single audit requirements direct the grant recipient to comply with the filing requisites.

Cause:

Due to delays in completing the single audit, the reporting package was not submitted to the Federal Audit Clearinghouse within the timeframe.

Effect:

The single audit reporting package was not submitted to the Federal Audit Clearinghouse within the timeframe which resulted in an instance of noncompliance.

Recommendation:

We recommend the Society file the single audit reporting packet with the Federal Audit Clearinghouse.

Views of Responsible Officials and Planned Corrective Actions:

Management understands the due date requirement for single audit reporting package submission to the Federal Audit Clearinghouse. The delay in completing the single audit, and thus the filing of the single audit reporting package to the Federal Audit Clearinghouse, was due to severe turnover during the pandemic and it being the first time that the Society was subject to a single audit. The Society has filled all open positions that are involved with the single audit and is familiar with the single audit process after going through it the first time. Therefore, management does not foresee any further issues related to this finding and will file the single audit reporting package as soon as possible.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS AUGUST 31, 2021

2021-002 - Material Weakness - Preparation of the Schedule of Expenditures of Federal Awards

Criteria:

The Society is responsible for the preparation of the schedule of expenditures of federal awards (SEFA). Controls should be in place to ensure complete and accurate reporting of information.

Condition:

Material adjustments were made to the SEFA, which were identified through audit procedures.

Questioned costs: - \$0 -

Context:

Under audit, total expenditures reported in the SEFA were decreased by \$3,538,317. The adjustments were made to remove expenditures that were not Federally funded. Additionally, details were corrected within the SEFA related to federal agency names, pass through agency designations, federal program titles and Catalog of Federal Domestic Assistance numbers.

Cause:

Controls surrounding the preparation of SEFA were insufficient to complete an accurate reporting of Federal expenditures.

Effect:

The unaudited SEFA prepared by the Society was not materially correct.

Recommendations:

We recommend the procedures surrounding the preparation of the SEFA be enhanced to include steps for identifying expenditures made from Federal grants, determination of contractor vs. subrecipient status for each funding source, and inclusion of all relevant information required about each funding source for disclosure in the SEFA. A final review of the SEFA should be performed to ensure it is complete and accurate.

Views of Responsible Officials and Planned Corrective Actions:

The insufficient controls in place surrounding the preparation of SEFA were due to severe turnover during the pandemic and it being the first time that the Society was required to complete a SEFA. The Society has filled all open positions that are involved with the preparation of the SEFA and is now familiar with the preparation requirements after going through it the first time. Management will implement and document improved controls to ensure that future SEFAs are complete and accurate.

FINDINGS RELATED TO FEDERAL AWARDS

COMPLIANCE FINDING

2021-001 – Submission of Single Audit Reporting Package.

Recommendation: The auditor recommended that the single audit reporting package be submitted to the Federal Audit Clearinghouse within the required time frame.

Planned Corrective Action: Management understands the due date requirement for single audit reporting package submission to the Federal Audit Clearinghouse. The delay in completing the single audit, and thus the filing of the single audit reporting package to the Federal Audit Clearinghouse, was due to severe turnover during the pandemic and it being the first time that the Society was subject to a single audit. The Society has filled all open positions that are involved with the single audit and is familiar with the single audit process after going through it the first time. Therefore, management does not foresee any further issues related to this finding and will file the single audit reporting package as soon as possible.

MATERIAL WEAKNESS

2021-002 - Preparation of the Schedule of Expenditures of Federal Awards (SEFA)

Recommendation: The auditor recommended the procedures surrounding the preparation of the SEFA be enhanced to include steps for identifying expenditures made from Federal grants, determination of contractor vs. subrecipient status for each funding source, and inclusion of all relevant information required about each funding source for disclosure in the SEFA. A final review of the SEFA should be performed to ensure it is complete and accurate.

Planned corrective action: The insufficient controls in place surrounding the preparation of SEFA were due to severe turnover during the pandemic and it being the first time that the Society was required to complete a SEFA. The Society has filled all open positions that are involved with the preparation of the SEFA and is now familiar with the preparation requirements after going through it the first time. Management will implement and document improved controls to ensure that future SEFAs are complete and accurate.
