Independent Auditor's Report

To the Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Senior Citizens of Greater Dallas, Inc. (a nonprofit organization) (dba The Senior Source), (the Organization) which comprise the statements of financial position as of March 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Senior Citizens of Greater Dallas, Inc. as of March 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and in accordance with Government Auditing Standards issued by the Comptroller General of the United States (GAGAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

The Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies

Senior Citizens of Greater Dallas, Inc. (dba The Senior Source) (the Organization) is a nonprofit organization that serves as an umbrella for eight programs for older adults as of March 31, 2022. The Organization's mission is to enhance the overall quality of life of older adults in greater Dallas. The Organization is supported primarily through donor contributions, grants, and the United Way.

Financial Statement Presentation

The Organization has adopted Financial Accounting Standards Board (FASB) guidance on not-for-profit financial statement presentation. Under this guidance, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets without Donor Restrictions

Net assets that are not restricted as to use or for which the donor-imposed restrictions have been fulfilled are reported as net assets without donor restrictions in the accompanying financial statements. Net assets without donor restrictions are used to meet the Organization's overall objectives of improving the quality of life of older adults in the greater Dallas area through protection, eldercare, advocacy, volunteerism, and employment services. Board designated net assets include assets designated for the building and the Organizations 60th birthday celebration.

Net Assets with Donor Restrictions

Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. The income from the investment of these net assets is similarly restricted if specified by the donor. When the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributions

The Organization has adopted FASB guidance on accounting for contributions received and contributions made. In accordance with FASB guidance, contributions received are recorded as restricted support depending on the existence or nature of any donor restrictions. Under FASB guidance, the Organization reports donor restricted contributions as restricted support and then reclassifies to net assets without donor restrictions upon expiration of the related restrictions.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less at the date acquired to be cash equivalents.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Fair Value Measurements

The Organization's financial assets carried at fair value have been classified for disclosure purposes only based on a hierarchy defined by FASB Accounting Standards Codification 820 *Fair Value Measurement Disclosure* (FASB ASC 820), in accordance with accounting principles generally accepted in the United States of America (GAAP). FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value and establishes a measurement framework.

FASB ASC 820 emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, FASB establishes a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Levels 1 and 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

Level 1 inputs utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 inputs are inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs may include quoted prices for similar assets and liabilities in active markets, as well as inputs that are observable for the asset or liability (other than quoted prices), such as interest rates, foreign exchange rates, and yield curves that are observable at commonly quoted intervals.

Level 3 inputs are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity. In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Organization's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period the promise is received.

An allowance has not been provided as management considers all pledges receivable to be fully collectible based upon review of donors.

Donated Materials, Services, and Facilities

Contributions of property are recorded at appraised or fair market value as of the date of the gift. The value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Special Event Revenue

Special event revenue is deferred and recognized in the period in which the event occurs.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Functional Expenses

The costs of providing the Organization's various programs and other activities have been summarized between program services, management and general, and fundraising. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on time and effort.

Programs maintained by the Organization are the following:

- The AGE (Advocacy Group for Elders) Program - Community members work together to address issues affecting older adults, such as housing, health care and human services.
- The Caregiver Support Program - Caregiver support specialists provide supportive counseling, resource assistance and problem resolution to those caring for an aging loved one.
- The Guardianship Program - Dedicated professional staff ensure the quality of life and manage all aspects of care for the most frail, vulnerable older adults who have been determined to be incapacitated by the probate courts.
- The Long-Term Care Ombudsman Program - Certified volunteers and staff work to improve the quality of life in nursing homes and assisted living facilities.
- Legacy Corps - A community-based caregiver support program by and for veterans of all wars and veteran/military families. Legacy Corps utilizes highly trained volunteers to provide a range of caregiver support services including in-home respite care, information, and linkages to other community support systems, hospital to home transition services, and other related services. The Legacy Corps program ended on August 30, 2020.
- The Retired and Senior Volunteer Program (RSVP) - This is the clearinghouse for volunteer activities for older adults. Volunteers serve in all neighborhoods of our community.
- The Foster Grandparent Program (FGP) - Older adult volunteers are paired with children with special needs in early childhood education settings, shelters, and medical facilities.
- The Senior Companion Program (SCP) - Older adult volunteers provide in-home companion services to elderly with physical and emotional needs so they can remain independent in their own homes.
- The Elder Financial Safety Center - A safe and trusted place for older adults to access expert, professional, and unbiased guidance. Frauds and scams prevention and job search assistance are two of the many services offered to ensure financial well-being.
- Public Education - Resources used for educating the community on age-related needs. The Public Education program is now considered part of the Organization's general operations, and its expenses are included with management and general expenses on the accompanying statement of functional expenses and statement of activities for the year ended March 31, 2022.

Property and Equipment

Furniture, fixtures, and equipment are stated at cost of acquisition or fair market value as of the date of the donation.

Depreciation is provided for under the straight-line method at rates sufficient to amortize the related costs over the estimated useful lives of the respective assets, which is thirty years for the building and five years for the remaining long lived assets. Depreciation expense for the periods ended March 31, 2022 and 2021 was \$245,153 and \$231,021, respectively.

Repairs and maintenance are charged to expense as incurred; major improvements and capital expenditures greater than \$1,000 are capitalized.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Concentration of Credit Risk

The Organization maintains its cash in deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

Federal Income Taxes

The Organization is a tax exempt entity for federal income tax purposes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal income tax is reflected in the accompanying financial statements.

Tax positions taken related to the Organization's tax exempt status, unrelated business activities taxable income and deductibility of expenses and other miscellaneous tax positions have been reviewed, and management is of the opinion that material positions taken by the Organization would more than likely than not be sustained by examination. Accordingly, the Organization has not recorded an income tax liability for uncertain tax benefits. As of March 31, 2022, the Organization's tax years 2019 through 2021 remain subject to examination.

Recent Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), a comprehensive new standard that amends various aspects of existing accounting guidance for leases, including the recognition of a right of use asset and a lease liability for leases with duration greater than one year. The guidance is effective for fiscal years beginning after December 15, 2021, including interim periods within those fiscal years. This standard can be implemented using a modified retrospective approach, under which provisions are applied to all applicable leases as of the beginning of the earliest period presented, or at the date of adoption with the recognition of a cumulative effect adjustment to the opening balance of net assets in the period of adoption. Early adoption is permitted. The Organization is currently evaluating the effect that the new standard will have on its financial statements; however, the Organization anticipates that adoption of the new of the standard will have a minimal impact on the financial statements.

Subsequent Events

Subsequent events have been evaluated through September 28, 2022, the date the financial statements were available to be issued. During this period, there were no material recognizable subsequent events, except as follows:

Line of Credit

The line of credit with Bank of Texas disclosed in Note 4 of the financial statements is a revolving line of credit and was renewed subsequent to yearend for a one year term. The Organization plans to renew the line of credit annually. The outstanding principal amount on the line of credit was \$0 at the time of the release of these financial statements.

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Note 2. Marketable Securities and Investments

In accordance with FASB guidance on accounting for investments held by not-for-profit organizations, investments in equity securities with readily determinable fair values are recorded at fair market value. The carrying values of financial instruments reported on the Organization's statement of financial position approximate fair value. The difference, if any, between the cost basis and the fair value of each investment represents unrealized appreciation or depreciation. Changes in unrealized appreciation and depreciation during a period are reported in the statement of activities.

Information related to the investments measured at fair value at March 31, 2022 is as follows:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds				
Domestic equity	\$ 3,037,580	\$ 3,037,580	\$ -	\$ -

Investments consisted of the following at March 31:

	2022	
	Cost	Fair Value
Mutual funds		
Domestic equity	\$ 2,320,163	\$ 3,037,580
Fixed income	989,480	934,444
Alternative strategy	221,642	244,898
	\$ 3,531,285	\$ 4,216,922
	2021	
	Cost	Fair Value
Mutual funds		
Domestic equity	\$ 1,961,941	\$ 2,646,227
International equity	262,485	326,062
Fixed income	928,792	928,946
Alternative strategy	201,992	222,110
	\$ 3,355,210	\$ 4,123,345

The following is a description of the valuation methodologies used to measure and disclose fair value of investments:

Marketable equity and fixed income securities reported as level 1 are determined by reference to quoted market prices for investments listed on an exchange or over-the-counter market.

The following schedule summarizes the investment return in the statement of activities:

	2022	2021
Interest income	\$ 62,022	\$ 62,184
Net realized and unrealized gain (loss)	96,431	1,054,236
	\$ 158,453	\$ 1,116,420

Note 3. Pledges Receivable

Pledges receivable represent unconditional promises to give. At March 31, 2022 and 2021, these pledges receivable are due to be collected as follows:

	2022	2021
Within one year	\$ 379,570	\$ -
One to five years	350,430	-
Discount to present value	(26,280)	-
	\$ 703,720	\$ -

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

The Organization determines the fair value of assets through application of FASB guidance on fair value measurements. There were no pledges receivable requiring fair value measurements at March 31, 2021. Pledges receivable are discounted at a rate of 2.45% at March 31, 2022.

Note 4. Line of Credit

On July 31, 2019, the Organization executed a variable rate revolving line of credit with Bank of Texas with an initial borrowing base of \$250,000. The loan agreement matures on April 1, 2022, and the note bears interest at a fluctuating rate per annum at the WSJ prime rate plus 1.00%, with interest payable monthly. The interest rate as of March 31, 2022 was 4.25%. During fiscal year 2022, the Organization did not draw on the revolving line of credit. As of March 31, 2022, the outstanding principal amount on the line of credit was \$0 and the Organization was in compliance with all loan covenants. See the Subsequent Event section of Note 1 for descriptions of any line of credit activity occurring after March 31, 2022.

Note 5. Deferred Compensation Plan

In October 2018, the Organization entered into a deferred compensation plan with a member of management. The first contribution was required following this member's first full fiscal year of employment. The contributions that have been deferred since the plan's inception have been accrued and the only expenses, other than the Organization's annual contributions permitted by the Internal Revenue Code, related to this plan is the interest on the deferred amounts. Investment returns related to this plan include \$2,134 and \$1,664 in 2022 and 2021, respectively. The Organization has included "Deferred compensation benefits" of \$18,780 and \$9,814 at March 31, 2022 and 2021, respectively. The Organization has included in "Other assets" \$18,780 and \$9,814 at March 31, 2022 and 2021, respectively, which represent the fair value of the plan. These assets were held in alternative strategy mutual funds and reported as level 1 determined by reference to quoted market prices for investments listed on an exchange or over-the-counter market.

Note 6. Retirement Plan

The Organization established a thrift plan November 1, 1992. Each participant may elect to contribute a percentage of annual compensation provided that the contribution does not exceed the lesser of the maximum permitted by the Internal Revenue Code of \$20,500 per year or the individual's maximum excludable allowance. The Organization contributes 5% of each eligible participant's salary. The Organization makes an additional contribution equal to 100% of the eligible participants' contribution amount up to 3%. The value of the account attributable to the participant's own contributions is always fully and immediately vested. The value of the participant's account attributable to the Organization's contributions is 25% vested after one year of service, 50% vested after two years of service, and 100% vested after three years of service. During the years ended March 31, 2022 and 2021, the Organization incurred \$217,903 and \$212,036, respectively, of expense for retirement contributions.

Note 7. Net Assets

Net assets with donor restrictions at March 31, 2022 and 2021 consist of:

	2022	2021
Building operations	\$ 1,874,549	\$ 1,874,549
Program services	706,639	427,253
	\$ 2,581,188	\$ 2,301,802

Senior Citizens of Greater Dallas, Inc.

Notes to Financial Statements

Note 8. Special Events

Special events consisted of the following for the year ended March 31, 2022:

	Spirit Luncheon	TI Golf Tournament	JUB Jam	Sage Society	2022 Total
Revenues	\$ 993,962	\$ -	\$ 138,653	\$ 243,370	\$ 1,375,985
Expenses	(105,048)	-	(12,036)	(1,917)	(119,001)
	<u>\$ 888,914</u>	<u>\$ -</u>	<u>\$ 126,617</u>	<u>\$ 241,453</u>	<u>\$ 1,256,984</u>

Special events consisted of the following for the year ended March 31, 2021:

	Spirit Luncheon	TI Golf Tournament	JUB Jam	Sage Society	2021 Total
Revenues	\$ 931,902	\$ 20,645	\$ 70,944	\$ 271,490	\$ 1,294,981
Expenses	(58,040)	(275)	(1,557)	(1,198)	(61,070)
	<u>\$ 873,862</u>	<u>\$ 20,370</u>	<u>\$ 69,387</u>	<u>\$ 270,292</u>	<u>\$ 1,233,911</u>

Note 9. Paycheck Protection Program Loan

In April 2020, the Organization received a Payroll Protection Program Loan in the amount of \$764,200 from the U.S. Small Business Administration (SBA). This loan amount was designated to cover 24 weeks of employee payroll costs. In accordance with the loan forgiveness guidance, the SBA forgave the loan and the Organization recognized the revenue. This revenue is recognized in Other Revenue in fiscal year 2021.

Note 10. Liquidity

The Organization has a goal to maintain financial assets, which consist of cash and short-term investments, on hand to meet 90 days of normal operating expenses. Of the \$5.8 million of financial assets available within 1 year of the balance sheet date, \$2.6 million is restricted for building maintenance and program services. The remaining \$3.2 million is not subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date. The total amount consists of cash of \$1.6 million and short-term investments of \$4.2 million.

**Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
in Accordance with *Government Auditing Standards***

To the Board of Directors of
Senior Citizens of Greater Dallas, Inc.

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Senior Citizens of Greater Dallas, Inc., which comprise the statement of financial position as of March 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 28, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Senior Citizens of Greater Dallas, Inc.'s internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Senior Citizens of Greater Dallas, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Senior Citizens of Greater Dallas, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Senior Citizens of Greater Dallas, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Weaver and Tidwell, L.L.P.

September 28, 2022

**Independent Auditor's Report on Compliance for Each
Major Federal Program and Report on Internal Control over
Compliance in Accordance with Uniform Guidance, and on the
Schedule of Expenditures of Federal Awards**

To the Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Opinion on Each Major Federal Program

We have audited Senior Citizens of Greater Dallas, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Senior Citizens of Greater Dallas, Inc.'s major federal programs for the year ended March 31, 2022. Senior Citizens of Greater Dallas, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Senior Citizens of Greater Dallas, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Senior Citizens of Greater Dallas, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Senior Citizens of Greater Dallas, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Senior Citizens of Greater Dallas Inc.'s federal programs.

Weaver and Tidwell, L.L.P.
2300 North Field Street, Suite 1000 / Dallas, Texas 75201
Main: 972.490.1970

CPAs AND ADVISORS | WEAVER.COM

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Senior Citizens of Greater Dallas, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Senior Citizens of Greater Dallas, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Senior Citizens of Greater Dallas, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Senior Citizens of Greater Dallas, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Senior Citizens of Greater Dallas, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

The Board of Directors of
Senior Citizens of Greater Dallas, Inc.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of Senior Citizens of Greater Dallas, Inc. as of and for the year ended March 31, 2022, and have issued our report thereon dated September 28, 2022, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole
